DRUGGISTS STATIONERS

Quick as Lightning The muscles of the eyelid are the quickest-acting muscles in the body. That is the reason the eye is so seldom injured. No matter how fast a blow or how sudden, the eyelid closes before the blow lands, and the action is instantaneous.

Footwear Used by Ancients Footwear was in use more than 3,500 years ago, the ancients utilizing various materials such as pelts of animals, metals, grass leaves, bark and wood. In some sections of the world heels were first used to keep the feet well above the burning desert sands.

"Irregardless" Erroneous Dictionaries define "irregardless" as erroneous or humorous usage in the United States. Regardless is the correct word.

Monarch Ranges To Be Exhibited Saturday

In connection with the Monarch ranges handled by Biegger & Gunderson Furniture store here, a demonstration under the direction of a factory representative will be presented here this Saturday at the showroom of Biegger & Gunderson on Front street.

The demonstration will be conducted for the purpose of acquainting the public with the baking features of Olympic ranges. The public is invited.
