

Coquille Wins And Loses In Week's Playing

One victory and one defeat was the record of the Coquille basket ball team in the high school play this past week. The boys started the week out right by drubbing Myrtle Point on the local floor 30-21 last Friday and then turned around and lost to Marshfield on their floor by the score of 35-20 Monday evening.

Although Myrtle Point upset North Bend by taking a victory over them recently, they failed to make any showing at all against the Red Devils. Rolph Fuhrman and Marvin Goodman were the high scoring leaders for Coquille in this contest.

Monday evening, Marshfield High laced the locals proper, giving them the soundest trouncing they have had this season. Led by Cadarette, the bay crew took an early lead and piled up 21 points before the half ended, with Coquille in the rear with only seven counters.

Although the locals played a much better game in the second half, it was not sufficient to overcome the lead the opposition already had. The victors substituted freely in the last half.

Following is the box score for the Myrtle Point-Coquille contest:

Coquille (30)	FG	FT	PF

Officers To Meet At Millington

School directors and clerks are planning for a big meeting at Millington on Saturday, February 18. The program will begin at 9:30 a. m. and close at 3:30 p. m., with pot luck dinner at noon. The program is as follows:

9:30-9:55 — Community Sing, led by Adrian Sias, with Mrs. Mayre Laird accompanist.

10:00-10:45—Roll Call In Improvements of Schools, led by Dr. V. D. Bain, state department of education. Dr. Bain will give helpful suggestions throughout the roll call.

10:45-11:00—Intermission.

11:00-11:30—"What the Health and Home Demonstration departments have to offer." (An informal discussion by Julia Bennett, Dr. Gerald E. Stark and Martha E. Mulkey).

11:30-12:00—Continued Roll Call and Announcements.

12:00-1:00—Pot Luck Dinner.

1:00-1:15—"Insurance on School Buses." Discussion between John Mullen, North Bend, and George Huggins, Marshfield.

1:15-2:00—Dr. V. D. Bain will discuss "Pending Legislation" and "The School, Its Teachers and Pupils."

2:00-2:45—Questions from question box and the floor. Dr. Bain in charge.

2:45-3:30—Business Session. Several points will be taken up at this time by different persons who are interested, but those which are already listed are as follows:

"Co-operative Buying," Adam Donaldson, Jr., clerk of School District, No. 12, Catching Inlet.

"Attendance of Principals at Board Meeting," by Mrs. Bethel Norris, chairman of S. D., No. 25, Fairview.

"Later Beginning for First Graders," by Ethel Siestrem, clerk, S. D., No. 53, Hauser.

Before the beginning of the meeting and at the intermission, visitors will have an opportunity to secure help from W. H. Wann, C. P. A., and there will be officers there to talk with members of the Non-High school boards as well as different people who are mentioned on the program.

The Bandon School Bill

The Bandon School bill is having its difficulties in Salem at this time. Having been presented in the house it was referred to the Ways and Means committee and at the time this article is written, it seems to be meeting with opposition in the Ways and Means sub-committee on higher education. Anyone who is familiar with the situation at Bandon can understand what a disaster it would be for the bill to be voted down or the amount called for therein to be reduced. The Bandon school has put up a very great fight against odds and it is hoped that help can be secured.

GASOLINE DOLLAR BUYS MORE GALLONS TODAY

Vividly illustrated in a report compiled by the research department of the Gilmore Oil Company is the fact that in spite of the increased use of the automobile during the past thirteen years, costs of operation have steadily decreased. Although using 45 per cent more gasoline than he did in 1926, the average motor vehicle owner today spends \$2.60 a year less to fuel his car than he did when he used only three-fifths as much gasoline.

In 1926 the average car owner bought 451 gallons of gasoline at a total cost of \$94.57, while in 1938, according to Gilmore statisticians, the average owner used 653 gallons at a cost of \$91.88. With his year's gasoline bill estimated at \$2.69 less than in 1926, he paid for 202 more gallons of gasoline.

GREGG REINFORCING

Lloyd Gregg, owner of Gregg Hardware, is planning some construction that will reinforce the east wall of the concrete building in which the hardware store is housed. The structure is already concrete except on the east wall. This portion of the building will be replaced by a concrete wall. This action is found necessary as a result of the building sinking to the east due to the lack of reinforcement. Other remodeling in the building itself will be undertaken as well.

Debates Start Feb. 15 Under New Schedule

Practice debate will be held from Feb. 15 to 22 in Coos county under the new program for the spring debating. Supt. Burton Dunn arranged the schedule in connection with Principal Clarence Osika, of Coquille; Supt. L. W. Turnbull and Principal Carl Morrison, of North Bend, who serve as a committee for this activity in the county. The county debate tournament will be held March 3 and 4 at Myrtle Point.

Drawings for the practice debates are listed as follows: Feb. 15, (negative teams travelling), Coquille at Myrtle Point, North Bend at Coquille, Bandon at North Bend, Marshfield at Bandon and Myrtle Point at Marshfield. Feb. 22 (with affirmative teams travelling), Coquille at Bandon, North Bend at Marshfield, Bandon at Myrtle Point, Marshfield at Coquille and Myrtle Point at North Bend. All practice debates will be non-decision contests. Drawing for the county tournament will be held later.

Coquille debaters last week, represented by Jack Martin and Leonard Farr, won three out of four contests. At Eugene, they defeated both the affirmative and negative teams of that schools and then won the affirmative side at Corvallis high school but lost when they upheld the negative.

Presidential Ball Nets \$50.00 In Each City

According to unofficial reports on the funds secured from the annual president's birthday ball held here on January 28 and for Myrtle Point in the country club house the same evening, a sum of \$50.00 at each dance was raised after paying expenses.

This amount of \$100 will be prorated out on the basis of the annual birthday ball program and a portion sent to the Warm Springs Foundation in Georgia to aid in the research study of infant paralysis. The portion retained here will be used to combat the disease locally.

The figures on the receipts were released by Fred Bull, who was in charge of the Coquille dance. Actual profit cannot be determined until all ticket sales have been reported.

Where'll You Be When the Spring Fun Starts?

EYE OPENER! With all its extra value, this Buick sedan lists at \$51 less than a year ago!

RIGHT now we'd like to point out that with the first feel of spring in the air, there's going to be another scramble to get these beautiful new Buicks.

There's going to be a rush to get behind this great car's lively Dynafash straight-eight power plant, to take in the budding countryside from behind its new wide-paned windows.

There'll be a sudden hurry to trade in cars that have begun to pass their prime, and step out in the cushioned smoothness of Buick Coil Springing's full-float ride.

No question about that, not when you recall last fall, when we had to sell cars on a five and six week delivery basis.

On the other hand, you can get rid of a lot of grief by trading an old car now. Get rid of weak batteries, slick tires, slow-starting engines, brakes that may be needing a relining job soon.

You'll get a car in this well-made, well-mannered, well-groomed new Buick that'll take the rest of the winter right in stride, and just be warmed up when spring comes. You'll get it at prices lower than a year ago, lower than you'd expect, lower even than on some sizes. You'll get a better allowance on the car you're now driving—and like as not avoid some heavy servicing bills.

So why wait until sometime "in the spring"? Shop early for your Buick, the most satisfying car you ever drove—shop wisely and avoid the rush!

Better buy Buick—NOW!
