Last Thursday the Coos county Methodist missionary societies held an all-day rally in the Methodist church at Myrtle Point. The local society had a cute way of registering the guests. They presented bags of beans to each one and then told them they were to collect a bean from every person who answered "yes" or "no" to questions. He was accompanied by Bill Pease and Harold Bergholdt, two of his fraternity brothers from Oregon University and by Steve Anderson, supervisor for Real Silk of Northwest College. Steve formerly lived in Langlois and graduated from Willamette College.

Last Friday afternoon, 34 youngsters from the first grade and their teacher, Miss Enid Anderson, enjoyed a noon-picnic lunch at the home of Mrs. Clifford Kern. One of the mothers sent a lovely cake and Mrs. Kern served punch. The petals from the apple blossoms had fallen to such an extent that the youngsters had a grand time playing with them until time to return to school.

B. P. W. Club Plans For Convention

At the state convention, Mrs. Leona Bryant, state president, will preside and Mrs. Alice Crabtree, of McMinnville, will be convention chairman. "Our America" is the convention theme and Irving Berlin's song, "God Bless America," written for and featured by Kate Smith, will be used in convention singing. Mrs. Rosa Cunningham, first vice president, will speak on the topic, "My Business and Yours," the program theme for the current year. An Oregon luncheon, "Pep" dinner, glee club contest and music festival have been arranged, also round table discussions under able leaders.

Unusual emphasis is attached to the state convention this year because of the Federation's forward-looking program and the plans that are being made for the biennial convention that is to be held in Kansas City, July 9 to 14, 1939. The national membership has reached an all-time high of 64,870. The Federation is organized in 48 states, the District

of Columbia, Hawaii and Alaska. In addition to carrying on its program theme, "My Business and Yours," which is being used by most states to show inter-relationship of business and individuals in every community, the Federation has a broad program of vocational information and a legislative program, which was

adopted at the Atlantic City convention in July, 1937. The Federation is also international, 23 countries being represented. Oregon's Federation consists of 26 clubs.
