To Ask Sewer Extensions

Since the city council ordered that 142 houses in the city, now having outside toilets, be connected with sewer or septic tank, there has been considerable agitation for extension of the city's sewer system in sections north of the gulch, where practically all these toilets are located. Some of the houses are located where it will not be easy to connect with the North Outlet sewer, and it will entail quite a little expense to provide the connections which must be paid for by the property owners.
