Glamour of Old West Glorified In New Picture

Across a vast panorama of primitive splendor, several thousand feet above sea level under a burning sun, a solitary stagecoach careens and rocks behind six galloping horses. Every mile brings the coach and its odd assortment of passengers closer to a waiting band of murderous Apaches, led by Geronimo, fiercest of them all.
This is the tense and thrilling background of Walter Wanger's "Stagecoach," a frontier drama of the 1880's when Indians still roamed the sagebrush, which opens at the Roxy Theatre tonight (Thursday) for three days, with Claire Trevor and John Wayne in the starring roles. Miss Trevor, appearing as Dallas, a girl of shady reputation who has been driven from Tonto by a self-righteous group of women, and Wayne, impersonating Kid Ringo, another social outcast, are passengers on this coach. Among the others in the motley group are a gambler of mysterious origins, a soldierly doctor, a timid whiskey drummer, a high-born lady about to have a baby, a pompous banker who has absconded with his bank's funds, the stagecoach drivers.

Combination Orchestra Pleases

Another dance, similar to the one in the Community Building which was quite well attended last Saturday night, is advertised there for this coming Saturday, June 24. The eight-piece combined orchestras of Don Estes and Spenny Ross made quite a hit and was warmly acclaimed by those who heard them last week.

Spirit of Co-operation Manifest At Revival Services

The Fox Evangelistic Party closed their revival services at the Gospel Tabernacle (Assembly of God) last Sunday night. There was a capacity crowd for their farewell service. Rev. R. D. E. Smith, pastor of the Tabernacle, reports a very successful meeting. He said that the church, which seats 450, was comfortably full every night of the meeting and packed out on many occasions. More than fifty people made profession of Christianity during the two weeks that the Fox party was here. Rev. Mr. Smith spoke especially of the spirit of co-operation between the Coquille churches in the recent revival meetings and said that he felt that a good deal of the success in these meetings and other union church activities was due to this spirit of brotherhood.
The sermon topic at the Tabernacle next Sunday night is to carry out the thought of proper fellowship between the churches. Mr. Smith is to preach on "Where shall we draw the denominational line?" Sunday morning the sermon topic will be: "The Pathway of Victory," a sermon on Christian victory, what it is, how it is attained and how kept. Other church services during the week are: Tuesday night, prayer meeting and testimony service. Friday evening Bible studies in the Revelation.

A good number will be baptised in water at the conclusion of next Sunday night's service.
