

# YOUR LAST CHANGE Campaign Ends Saturday Night

## To Save Money by Paying YOUR SUBSCRIPTION TO THE

### COQUILLE VALLEY SENTINEL

UNTIL 9 O'CLOCK THIS SATURDAY NIGHT YOU MAY SUBSCRIBE, PAY UP OR RENEW YOUR SUBSCRIPTION AT THE REDUCED CAMPAIGN RATE OF

## \$5.00 FOR 3 YEARS

This Special Offer Ends With The Campaign Saturday, July 15, at 9 p. m.

#### NOTES

Fifty-thousand EXTRA votes will be given on EVERY \$20 worth of subscriptions turned in Saturday; \$40 worth of subscriptions by Saturday night would mean 100,000 EXTRA votes, etc.

Which prize do you want? If you really put forth a good effort for the short time remaining, you can easily win any prize in the list.

There will be no "reunion" or "party" at the newspaper office during the final count—which will begin as soon after 9 o'clock Saturday night as all candidates (who must be in the office by that time) can be waited on. Only the judges, the publisher and the campaign manager will be allowed in the office during the count. This will enable the judges to finish the count in a shorter time.

Any candidate who does not turn in at least two more subscriptions by 9 o'clock Saturday night will NOT get a prize or a commission. This is a rule of the campaign and will be strictly enforced. The best candidates will have several times two but each candidate MUST turn in at least two Saturday to win a prize or a commission. This is final and fair warning.

In order to avoid all possibility of error in the vote count each candidate (accompanied by parent or guardian) is urged to come to this office prepared to check up the amount of cash he or she has turned in, and the number of votes and points he or she has to and including their Wednesday's report, with the Campaign Manager's record. Please come in Friday for this purpose, if you possibly can, otherwise Saturday will be all right. At the same time the candidates will be given the necessary slip to put in the ballot box with their final remittance.

Candidates who do not come in to check will be considered as having given notice to the judges they accept the Campaign Manager's count as absolutely correct in every detail.

#### NOTES

The friends who paid their subscriptions to you did it to help you and because they thought you would work to help yourself. If you do not do your best the last hours of the campaign you are not doing right by your friends who have already helped you.

A race is never won or lost until the final lap is run. At this stage of the campaign some candidates get over confident and others suffer from under confidence. Either of these symptoms is dangerous, as no candidate has anything "clocked" at this time—neither is there any candidate who cannot win one of the most valuable prizes if he or she only goes after it in earnest between now and 9 o'clock Saturday night.

Ask the Campaign Manager Saturday what time you are to call for your prize. We ask that the candidates winning bicycles be ready to make a quick decision as to which prize bicycle he or she wishes, so it will not hold us up in getting the prizes to the other candidates as quickly as possible. The candidates not winning bicycles will have their commission checks mailed to them by Tuesday.

#### DETAILS OF THE FINAL COUNT

In order to maintain the utmost secrecy as to the number of subscriptions and votes secured by each candidate during the last three days of the campaign the race will be brought to a close under a sealed ballot box system. No subscriptions or money will be accepted from candidates by the campaign department during the last three days of the campaign; instead the candidates will deposit their final collections and subscriptions in the sealed ballot box located in the window of this newspaper office. The campaign manager will collect from subscribers who come to the office to pay and will put in the ballot box for whatever candidate it is credited to. If any candidates cannot come to the office they may mail their report to the campaign manager and he will see it gets in the sealed box. Candidates will have access to this sealed ballot box any time.

## READ ALL

Of This Thoroughly

The candidates will simply place their money and subscriptions in a sealed envelope and deposit it in the sealed ballot box. This means that no one but the candidates will know what they do these last three days, until the campaign has been officially declared ended and the ballot box is opened by the judges for the final count. This assures fairness to the nth degree. The winners will be determined by the judges merely adding the votes and points for the subscriptions contained in the sealed ballot box, to each candidate's total up to last Wednesday night as shown by their individual signed statements. Every effort will be made to finish the final count Saturday night, so the prizes may be given to the candidates that night or Sunday. A bulletin will be placed in the window of this newspaper office Sunday morning showing the final standing of the candidates.

This Campaign Ends Promptly at 9 o'clock Saturday Night

And this is our last chance thru the paper to urge every candidate to do his or her best—it's still anybody's race.

Work as you have never worked before, candidates—there is going to be lots happening these last two days.

Many have threatened it, but so far no one has done it—and that is to absolutely cover the town one hundred per cent by going up one street and down the other without missing a house. And you'd be surprised at the wonderful results you'll get.

Be sure to impress upon your prospects the great bargain they receive for the next two days only. After 9 o'clock Saturday night, subscription prices will go back to their old figure, and all specials will be off.

After 9 o'clock Saturday night it will be too late to do your best—now is the time!

No candidate will be allowed to enter the newspaper office later than 9 o'clock Saturday night for the purpose of turning in subscriptions to count in the campaign. All candidates in the office by 9 o'clock Saturday night, however, will be given an opportunity to check with the Campaign Manager, and to deposit their final collections in the sealed ballot box.

Just so you are in the office by 9 o'clock Saturday night, you will be waited on and your subscriptions will be counted by the judges. You cannot mail or deliver any after 9 o'clock Saturday night. Be sure you get all your subscriptions and money to our office in time.

When you come in Saturday with your final report, please return to the Campaign Manager all receipt books and mailing lists which have been furnished you. This is important to us, so please comply with this request.

Any candidate whose name appears on the list printed today will be certain of winning a prize or a commission if he or she gets at least two more subscriptions turned in by 9 o'clock Saturday night.

Wednesday was the biggest report day to date and Saturday will be even bigger.

There is nothing more we can say—the campaign ends at 9 o'clock Saturday night. If the short time left—and the value of the prizes—does not make you do your best in these last few hours, surely nothing we could say or do would urge you on to win the most valuable prize of a beautiful and durable bicycle.
