

City Terminates Engineer Contract

At a called meeting of the city council Monday noon it was voted that the city's water department should take over the completion of the pipe-laying job near the reservoir. There is about 300 feet more of shallow trench to dig and the pipe to lay.

The reason for it is that Mr. Mattson, county WPA chief, pulled the men working there off the job last Friday, his claim being that the eight or nine feet of bank on the upper side of the ditch was a threatened danger to the men and unless the hill side was shored up with a large expense for timber that he would not risk injury to the workmen.

Another matter was the final severance of all contractual agreement between the city and Stevens & Koon.

MAXINE DUDLEY

—Le'Mille Photo

Maxine is a likeable young lady and a hard working one, too, who is out to win a bicycle in The Sentinel's campaign. You can put this East Coquille representative nearer her goal and save money, too, by paying her your subscription before 9 o'clock Saturday night.

The city was paying the engineering firm for its supervision of the dam job and overseeing of the pipe line construction the sum of \$300 per month. This was the work Mr. Sandner was doing.

But with the completion of all of the dam job that could be done before next winter the city officials deemed the \$300 a month expense unnecessary. Under the direction of the city engineer, Water Supt. Epperson can complete the pipe line.

A letter from J. C. Stevens was read in which he agreed to the termination of the contract, although he intimated that his firm could keep Sandner on the job here until the final work at the dam was completed next winter.

Locating and repairing a leak from one of the pipes through the dam and cleaning out at the upper end of the lake there are the principal items yet to be taken care of.

A new application was ordered made for a WPA project in fencing the portion of the city property around the dam which is not now under fence.

Mr. Mattson was authorized to proceed at once on the unfinished WPA projects here in town. One is the sidewalk on last winter's fill on Hall street, between Front and First; another is the laying of the sidewalk in front of the Train building on Front street, and the third is on Third street, west of the highway at the Folsom Grocery corner, a concrete surfacing job.

Grange Organizes Taxpayers' League

A Grange Taxpayers League, which only awaits the approval of Coos Pomona Grange to become effective, was organized at the Green-dell grange hall Monday evening, with representatives present from nearly all the fourteen subordinate granges in the county present.

The name of the new organization, to which only grange members can be admitted, is the "Grange Tax Equalization League."

The objects of the league are to assist tax officials in arriving at an equal and just distribution of tax burdens, to have a representative present when budgets are prepared, to investigate the expenditure of public funds and to consider such other matters as may be of interest to the taxpayer.

Each subordinate grange will appoint three members as a tax committee who shall investigate the merits of any grievance reported as to unequal or unjust assessments in their district, and report them to the Pomona tax committee. The latter shall investigate such matters as are brought before them and shall present them to the proper county officials for correction.

This taxpayers league has no connection with the taxpayers league recently started in Marshfield, but it certainly has the backing of a substantial group of Coos county taxpayers when it includes all Grange members.

June Weather Report At Bandon

Precipitation for the month of June, 1939: total precipitation 1.91 inches, greatest in 24 hours .78; date, 16; number of days with .01 inch or more precipitation, 12; clear, 17; partly cloudy, 8; cloudy, 5.—Oscar Langlois, observer at Bandon station, in Western World.

Marriage Licenses

July 10—Robert M. Anthony and Helen M. McQuiston, both of Marshfield.

July 12—Adrian Ward and Miriam Rice, both of Tenmile in Douglas county.

Lamb, Wool Show Tomorrow at Myrtle Point

Wool growers in all sections of Coos county are busy this week in preparing exhibits of market lambs, bucks, dressed carcasses, and wool to be shown at the second annual Lamb and Wool Show which will open at 10:00 a. m. at the county fair grounds in Myrtle Point on Friday, July 14.

The program of events and the premium list for the show have been mailed to all sheep owners through the county agent's office and extra copies are available there on request. The classes on which such premiums will be paid include a pen of three market lambs, a single market lamb, single market lamb 4-H club class, buck (any breed and any age), dressed carcass, coarse wool fleece, and medium wool fleece.

The Lamb and Wool Show is sponsored by the Coos County Livestock Association, the directors of which include: J. F. Van Leuven, president; Joe Nilsen, vice president; John Carman, secretary; L. W. Lund, director, and A. R. Davenport, director. The purpose of the show is to stimulate in the production of lambs and wool of better quality. The payment of premiums for the various classes is made possible through contributions made by the Coos county court, the Security Bank of Myrtle Point, First National Bank of Portland, Coos Bay National Bank, Coos Feed and Seed Stores, Eaton's Feed Stores, and L. H. Pearce, of Myrtle Point.

According to the program of events, the show will be conducted about as it was last year. All entries are to be in place by 10:00 a. m., excepting the dressed carcasses which will be displayed at 12:30. Judging of market lambs will start at 10:15 a. m. and the wool classes will be judged at 11:00 a. m.

A picnic lunch will be held in the Oak Grove at the Fair Grounds at 1:00 p. m., which is the main change in the program this year. An educational program will follow which will include a carcass cutting demonstration, a short discussion from each of the judges, and an auction sale of all dressed carcasses. All families are asked to bring a basket lunch and coffee and sugar will be furnished.

Sheep owners who plan to exhibit in one or more of the classes have been requested to list the information on the entry blank which was mailed to them with the premium list and send it by return mail to the County Agent's office in Coquille, or if time does not permit, this entry blank may be brought with them to the show on Friday morning.

Play-Off Monday Second Half Gets Underway This Week

This Week's Results
Wednesday, July 12—McKinley 13, Eagles 2.
Tuesday, July 11—Jr. Chamber 4, Stevens 9.
Monday, July 10—Plywood 7, Tip Top 2.
Friday, July 7—Pastime 8, Eagles 7.
Thursday, July 6—McKinley 9, Cow Bell 3.

League Standing		
	Won	Lost
McKinley CCC	2	0
Plywood	1	0
Pastime	1	0
Stevens Hardware	1	0
Cow Bell	0	1
Tip Top	0	1
Jr. Chamber	0	1
Eagles	0	1

This Week's Schedule
Thurs., July 13—Pastime vs. Plywood.
Fri., July 14—Stevens Hardware vs. Tip Top.
Mon., July 17—Cow Bell vs. Jr. Chamber. McKinley CCC vs. Plywood.
Tues., July 18—Eagles vs. Plywood.
Wed., July 19—McKinley vs. Tip Top.

The first week of playing in the second half of the Coquille softball league has swung into action with McKinley in lead once again and Plywood, Pastime, and Stevens Hardware winners of one game each during the week's play.

The entrance of the Tip Top in the second half of play is also noted. This team takes the place of Fuhrman's Pharmacy.

Interest will center next week around the play-off game Monday evening between the Plywood and McKinley CCC for first half honors. This game should draw an immense crowd of enthusiasts and will possibly settle the current dispute if the boys get started early enough. The second game scheduled that evening will be played after the championship contest.

COUNTY JAIL ARRIVALS

Jas. E. Riddle is serving 30 days in the county jail on a drunken driving charge, having been sentenced by Justice Barton here last Friday.

Jas. H. Rose was brought over from Myrtle Point last Friday, having been given 30 days by Justice Dodge for being riotous and violent.

Three men were arrested by the sheriff's office in Albany this week and brought back here to jail. At a hearing before Justice Maybee in North Bend they were bound over to

the grand jury, with bail set at \$1000 each on a grand larceny charge. They are accused of stealing brass and bronze from the pulp mill at Empire.
