Fairview Y. G. A. Grange Notes

Last March Arthur Brown, state deputy of the Grange, organized a Y. G. A., or Young Grangers Auxiliary, recently changed to Young Grangers of America. This club is for the young people in the Grange, from fourteen to thirty-five years of age, and in addition draws outside young people into the Grange. These young people follow definite programs, supervised by a youth committee of three subordinate Grange members, and are a real help to the Grange.

The Fairview-North Fork Y. G. A. was organized with fifteen charter members and a few more have been admitted since. The first thing these young people did was to sell candy at the subordinate pie social to earn

money for their caps. In May a birthday party was given in honor of one member of their youth committee, Ray Deadmond, also master of the subordinate. The Y. G. A.'s have in addition served a delicious luncheon and helped on the lecturer's program.

The officers elected are Harry Huble, president; Charles Thommen, vice president; Maxine Engles, secretary; Arden Harrah, steward; Willard Berry, treasurer. The club also has a planning committee of three to plan their entertainment.

Subordinate Grange News

Fairview-North Fork Grange, No. 739, held its regular meeting in the hall on July 8. After business was disposed of the men took over the lecturer's hour and gave a very nice program. Cookies and coffee were served and dancing followed.
