Townsend Club

Townsend Club, No. 1, met in regular session Tuesday evening with a good attendance. The club has received word that Dr. Francis E. Townsend would be here on July 18 to talk on the Townsend plan. Everybody is invited to come and hear him.

Mr. Prentice, deputy district organizer, gave a very interesting talk on the convention at Indianapolis. President McLain, of Myrtle Point, gave a short talk and read telegrams received from Mr. Townsend. Mrs. Harold McCue also gave a report on the convention at Indianapolis and Mr. Harris, of North Bend, gave a talk on the Townsend plan. The delegates returned July 3, having made a trip of 5706 miles.

This being a social evening further business was dispensed with and the remainder of the evening was devoted to dancing with Babe's Melody Kings furnishing the music.

The next social evening will be Aug. 4.

The Sentinel has lots of good workers in its campaign, and Helene is among the best. There are few people in Coquille who don't know Helene and a good many of them seem to think they would like to see her riding a brand new bicycle. If they support her these last few days there is no reason why she can't win any bike she wants. You can save money and at the same time give her winning votes if you pay your subscription to her credit by 9 o'clock Saturday night.

Church of Christ Conference At Glendale

Monday morning, at an early hour, a bus will leave Coquille, headed for Fir Point Presbyterian Conference grounds, located three miles from Glendale, Oregon. The bus will transport a dozen youths from Coquille and a score from Myrtle Point and Marshfield, besides T. M. White, minister of the Church of Christ at Myrtle Point; Joel R. Benton, minister of the Church of Christ at Marshfield; C. Adrian Sias, minister of the local Church of Christ; Ruth Towne, Mrs. Alda Nosler and Donald Bailey, of Coquille. The six mentioned will act as instructors in the Conference and Mr. Benton will act as director of the camp.

It is anticipated that the attendance will be close to 150 this year, it having been over 100 the past two years. An added attraction this year is Miss Mildred Welshimer, youth worker from Cincinnati, Ohio, who will teach in the conference.

Legion, Auxiliary Conventions In Salem Open August 10

Many citizens of Oregon will receive their first glimpse of the state's new capitol at Salem, when they assemble on the front steps of the marble structure the morning of August 10, to participate in the opening ceremonies of the 1939 state convention of the American Legion and its Auxiliaries. Immediately following the ceremony, the visitors will gather in the hall of representatives to conduct memorial services to departed world war veterans.

The convention commission of Capital Post No. 9 Auxiliary is working in co-operation with citizens and the Legion commission to make the convention one of the best ever held.

A feature of the entertainment provided by the Auxiliary will be a tour of some of Salem's beautiful gardens, and something new in stunts is promised by the chairman of Midnight Matinee.

Jack has consistently been a leader in The Sentinel's campaign, but he realizes that he is up against strong competition and he is working his hardest now to hold a lead. You can save money, keep one of Oregon's best weeklies in your home and help Jack bring a brand new bicycle home by paying your subscription to him before 9 o'clock Saturday night.
