

Coquille Drops Marshfield 38-0

Unleashing a powerful driving power and clicking aerial attack the Coquille Red Devils last Saturday afternoon, at Athletic Park here, swamped the Marshfield Pirates 38 to 0, and made two other touchdowns which were nullified because of penalties.

Altogether it was a big afternoon for the Red Devils and indicates they they may be on their way to a county championship, something which has not happened here since 1924, and that year C. H. S. only tied Marshfield.

Early in the second quarter one of Coquille's star back field men, Dee Krantz, had to leave the game as the result of being tackled and then thrown so hard to the ground by another tackler that he was unconscious for several moments. But that didn't stop the red-jerseyed horde for McCool took over the full-backing job and a pretty exhibition he gave. One of his touch down runs was for 74 yards and his forward pass interception and dash of half the field to pay dirt was called back because of a penalty against Coquille.

Ted Schaer's passing, Everett Smith's and McCool's plunging, Marvin Goodman's pass receiving, blocking and tackling were only a few of the scintillating features which proved that Coquille has a real football team this year.

Goodman was all over the field with an unerring instinct as to the play and he was in on nearly every tackle all afternoon.

Coquille made 13 first downs during the game, Marshfield 4. The Red Devils completed six out of ten pass attempts, Marshfield five out of ten. Marshfield intercepted two passes, Coquille one that counted. The Red Devils were penalized 55 yards, the Pirates 15. Coquille gained 330 yards from scrimmage, Marshfield 55.

In the other county game Myrtle Point Bulldogs defeated the Bandon Tigers, 33 to 14, while North Bend lost to Cottage Grove out there, 17-7.
