

### Red Devils Showed Superb Class In Losing To Medford By 6-0 Score

Defeated but not beaten. That was the Coquille Red Devils record at Medford for the Thanksgiving game before a crowd of more than 4000 fans, the greater portion of whom were stunned at the power and stubborn resistance shown by the Coquille line and the all-around blocking and tackling of the Red Devils' backfield.

True the score was Medford 6, Coquille 0, but that doesn't begin to tell the story for it was just a matter of chance and luck that one of Medford's passes clicked for a touchdown and none of Coquille's did. And it was luck or a break of the game, that caused Ted Schaefer, safety man, and the only one near Piche when he caught Newland's pass from the 34 to the 15-yard stripe, to slip and fall just before he could have tackled Piche, so that the latter ran 15 yards to pay dirt without a hand being laid on him.

This is not intended as an alibi; for the Red Devils need no alibi. They played as wonderful a game as was ever seen in high school football and very few college games equal it.

Then, too, the matter of reserves was preponderantly in Medford's favor. They had two squads, one nearly

as good as the other, and a third in reserve. Coquille played the game with 13 men only, and they were tired when the final gun sounded, more tired than we have ever seen them before this season. They tackled hard, but cleanly, and frequently one or sometimes two of the Pearpickers were laid out after a play. And Coach Bowerman had a substitute ready.

Coach Bill Bowerman praised the Red Devils unstintedly, declaring them to be the "best coached high school team" he had ever seen, and the Medford Mail-Tribune sports writer in his write-up of the game said Medford was several kinds of "lucky" to win.

The Red Devils played as clean a game as one ever saw, and not a single penalty was charged against them. Medford suffered 35 yards of penalties, five yards for offside and two 15-yard penalties for unnecessary roughness. One of those was a glaring offense. Marvin Goodman downed one player who thought he was away for a touchdown. As he lay on the ground the Medford boy saw Marvin lying at his feet and deliberately kicked him.

Medford amassed a total of 244 yards, 45 from completed passes and 209 from scrimmage. Coquille's total was 276 yards, 68 on passes and 68 through the line or around end.

First downs Stood: Coquille 10, Medford 14. The Red Devils completed nine out of 13 pass attempts, Medford five out of nine. Each intercepted an opponent's pass, Coquille returning its interception 24 yards, Medford 14.

Kick-off average was Coquille 45, Medford 50; return from kick-off, Coquille 25 yards, Medford 19.

Smith outpunted Piche, his average being 41 yards to the Pearpicker's 36. Punt returns were 20 yards for Coquille, 28 for Medford.

Neither Krantz nor Goodman were able to get away for gains of any length. Two Pearpickers were on them right now, whenever they carried the ball or received a pass.

Howard Moy, the smallest man on the Coquille squad, was playing opposite the huge 265 pounder at the start, and the odds against him were too great. "Wimpy" Holmstrom replaced him. Johnny Williams, knocked out on one play in the second quarter, was replaced by Bill Ray who played a whale of a game until he received a sprained shoulder and Williams went back in.

In the line Gaulke, Goodman, Arnold, Londaker, Arrell, and those previously mentioned performed heroically all afternoon and Medford supporters gave them praise as being the best line they had seen all year.

Coquille won the toss and elected to kick. The ball was received on Medford's 10 and in three downs the Black Tornado, as they now call themselves, had carried the ball to Coquille's 16 where the Red Devils held.

Then started a march that ended when Coquille lost the ball on Medford's 8. Everett Smith made 12, Krantz 15, then Smith plunged 20 more, Schaefer's pass to Goodman went for nine yards and Smith plunged seven more. The quarter ended with

Coquille having marched 76 yards down the field.

When play was resumed for the fourth down Coquille strategy called for a field goal attempt but Smith's kick was a trifle wide of the mark and Medford took possession of the ball. It was with a sigh of relief to the Medfordites that that grand march ended.

The rest of the second quarter was fruitless as far as scoring was concerned, Medford making several nice gains, attempting double and triple passes, and kicking on fourth down.

The Medford High drum and bugle corps, all girls, put on a pretty exhibition between halves, one man-servant showing a C and another an M.

Smith received Medford's kickoff to start the second half and when about to be tackled lateralled to Schaefer, the return being 13 yards. A double pass gave Coquille 13 yards and another pass nine yards. Smith then kicked to Medford's 12. After failing to gain through the line or on passes, Medford kicked and Schaefer returned to Coquille's 45.

On a reverse Smith made 11 yards around end, but Medford halted that start by intercepting a pass. A couple of plays later Smith intercepted.

From then on to the end of the third period it was pass, run and kick, with a fumble by each team, recovered by the other, and the quarter ended with the ball in Medford's possession on Coquille's 47. Three plays brought the ball to the Red Devils' 38 and it was from there that Newland whipped his pass to Piche on the 15 and the latter scored.

To show that Coquille was always in the game, the line charged on the attempted conversion for the extra point and Johnny Williams knocked it down.

It should be noted that daily press reports showing the touchdown was in the third quarter are incorrect. The fourth quarter was not more than two minutes gone when the touchdown was scored, and the Red Devils had had the most strenuous three-quarters imaginable, and were being rapidly worn down. This iron man stuff is mighty tough in as hard a game as that was on Thursday.

After that it was a defensive Medford team which smothered every Coquille threat as the clock moved slowly to the final gun. But the Red Devils did not quit.

Krantz got away for a 20-yard run around right end, and a three-way pass brought another first down. Medford held there and Smith kicked. The Tornado then held on to the ball until the end and the final play found the ball on Coquille's nine. The Red Devils were benefitted in the last few minutes by the 15-yard penalty

### Banned Scenes Restored to New Uncensored Film---At Liberty Sunday And Monday

With Europe in the thick of another titanic war, "All Quiet On The Western Front," recognized as the greatest war film ever made, has been released in its original uncensored version for the first time.

The history-making film, winner of five international awards, will be at the Liberty theatre Sunday and Monday, with many dramatic scenes that could not be shown during its original release.

Truth, shining through all censorship efforts, distinguishes the picturization of Erich Maria Remarque's world famous novel.

Foreign countries, sensitive to anything which might reflect on their victories or defeats on the field of battle, have hitherto cast a halting hand on producers in Hollywood. Even though opposed to weakening the dramatic appeal of their stories, the picture makers were nevertheless obedient to the foreign protests. But today, recognized as an international medium for the spread of good will, the motion picture and particularly "All Quiet" is presented as is.

Restoration of the censored scenes, ample re-editing and modernization re-issue.

of the film, accomplished by Universal experts only last week, have resulted in the new production of a film which will strike as deeply into the hearts of men, women and children everywhere as did the original "All Quiet" almost a decade ago, in the opinion of those who already have viewed the

The film is not so much an indictment of any one country as it is a denunciation of certain systems of government. As a moving, stirring dramatization that shows the horror, the pathos and the grim humor of war as it is waged in modern times, "All Quiet On The Western Front" has its place in the public consciousness today. The famous characters of the book, played to perfection by men and women who are top stars today, come to life in startling realism now that another war is raging in Europe. Lew Ayres, who rose to stardom in "All Quiet" with his inspired portrayal of "Paul Baumer;" Slim Summerville, who plays "Tjaden,"

due to the foul committed when Goodman was kicked.

There were at least 500 Coquille people on the stands and the Jackson county seat knew that Coquille was in town.

Coquille's high school band made a very fine showing and received considerable praise from those present.

Oregon Code 1930, that on the 17th day of January, 1940, beginning at three o'clock in the afternoon of said day, at the courthouse in the city of Coquille, county of Coos, state of Oregon, a hearing will be held before the Oregon State Board of Forestry, or one or more of its members, for the purpose of considering the proposal of the board to recommend for classification as reforestation lands certain lands situated in Coos county, state of Oregon, a list of said lands, giving the legal description thereof and the acreage and ownership of same, being on file in the office of the county assessor of said county, as required by law, which said list may be inspected and examined by any person desiring a specific description of the land which the board proposes to recommend for classification as reforestation lands in said Coos County.

At said hearing the board, or members thereof in attendance, will hear all objections to and suggestions, arguments and remonstrances for and against said classification.

Dated at Salem, Oregon, this 27th day of November, 1936.
