Listen to the Owners!

"NEVER EXPERIENCED SUCH PERFORMANCE"

"Never experienced such comfort and performance in an automobile. . . . Don't know how anyone could build a better car, regardless of size and cost."

"BETTER THAN TWENTY MILES PER GALLON"

"Pleases me very much in every operation. I recently drove 268 miles and averaged better than 20 miles per gallon."

"ALL THAT YOU CLAIM AND MORE"

"My 3rd Pontiac, and the family and I are thrilled . . . the performance is all that you claim and more . . . exceptionally economical on gas."

"MY EIGHTEENTH AND KEENEST OF ALL"

"My new 1940 model is the 18th Pontiac I've bought. I am greatly pleased, and my wife says this is the bestest one of all."

"EVERYTHING YOU COULD ASK FOR"

"This is the 8th Pontiac I have purchased. It's amazing to see the improvements. . . . It has everything you could ask for in an automobile."

TAKE THE year's outstanding style leader—add smartness and luxurious finish to its wide-seated interior—give it a power-packed engine famous for its operating smoothness and silence—then include the year's comfort sensation, the "Triple Cushioned" ride—and you know a few of the reasons why 1940 Pontiac owners say, "Never dreamed a low-priced car could be so marvelous."
