Mrs. Glenn left immediately with her brother Herbert Frye and as Mrs. Frye was able to be moved she was brought to McKinley and is now resting as well as could be expected. She has been in very poor health for some time and the shock of the fall was almost more than she could bear.

Mrs. Mildred Mast is much better since her course of treatments in Marshfield and is able to be about, but Milford has been down with the flu for several days. He is better at this writing.

Mrs. Nellie Brown received word that her sister-in-law, Mrs. Arthur Church of Camas Valley had passed away. Mrs. Church formerly lived in McKinley and had many friends and relatives here. She was a sister of Arthur Brown, well known in grange circles. The Browns attended the funeral services in Camas Valley Friday.

The McKinley skating group opened the rink at the Community Hall Sunday. Frank Heller, to whom McKinley folks owe many thanks for his co-operative efforts, has installed a public address system in the hall and with music available the skaters hope to learn to dance on skates.

Mr. and Mrs. Clarence Churchill and son Jimmy went to Glendale, Douglas county, last week to visit the Lee Hatfields who recently visited here and attended the last grange meeting.

The Levinson mill group gave Mr. and Mrs. Edgar Cole a surprise party last Saturday night on the anniversary of their golden wedding. The couple who were indeed very much surprised, were entertained with singing, readings, and lunch. They received some lovely gifts also. Mr. and Mrs. Cole are the parents of Mrs. Dave Levinson.

Walter Lawhorn is slowly recovering from his serious sinus infection which kept him bedfast ten days or more. R. H. Lawhorn, his brother, has also been suffering from an attack of bronchitis. Mrs. R. H. has been quite occupied in caring for him and cooking for several timber cruisers who have been working in that neighborhood.

Bridge Notes

Those who enjoyed the dinner with her were Mr. and Mrs. A. O. Hooton, Mrs. Belle Hooton, Mrs. Frank Culver and daughter, Elsie Ann, Mrs. Ray L. Beckett and the host and hostess, Mr. and Mrs. Glen C. Hutton. Mrs. Belle Hooton returned to her home in Coquille Friday afternoon, after spending a week with Mrs. Hill and the Huttons.

Jerry Walker returned to school Monday after being absent for a week with the flu.

The Christian Endeavor topic for next Sunday night is: "Keep Your Temper." Miss Wilda Beckett will direct the discussion. Misses Maude Hooton, Ruth Walker and Virginia Beckett are making plans for a program in observance of Christian Endeavor Day, the first Sunday in February.

Mr. and Mrs. Roy S. Luttrell returned home Friday from a visit of over a week with their daughter, Mrs. Glenn Scott, and family, at Ada.

Miss Maude Hooton was confined to her home for several days last week with a severe case of sinus infection. Mrs. H. A. Hatfield and Mrs. A. O. Hooton were in charge of the school's soup kitchen during her absence.

Miss Virginia Beckett has been ill for the past few days with the flu.

Mr. and Mrs. Cecil Flowerday and baby daughter, Darlene, who have been living at Marshfield, are visiting now at the home of his parents, Mr. and Mrs. Sidney Flowerday, until they take possession of the Roy S. Luttrell place, which they have rented. The Luttrells plan to go to Ada for a while.

Mrs. Lucy Culver, who has been in failing health for the past three years, and had several severe illnesses during that time, became very ill again Thursday morning and has been very low ever since. She was 88 years old in December and has been gradually growing weaker for a long time so there seems to be but little hope of recovery.

The executive committee of the Christian Endeavor society held its first meeting of the new year at the Hutton home Monday evening and made plans for the work of the organization during the next few months. Those present were Wilda Beckett, Lynn Culver, Ruth Walker, Clyde Bartlett, E. J. Walker, Jr. and Mr. and Mrs. Glen Hutton.

New Year...New Leaf... Why Not New Car?

THE slate's clean, the past is past, you're making a new beginning on a new year you hope will be happier and finer and richer — how about doing the job up right?

You spot the fun possibilities in this brilliant and buoyant Buick just by watching it flash by, but have you been in to try it?

Do you know what it's like — first hand, we mean — to have a hundred-plus Dynaflex horsepower waiting your treadle-foot's nudge? Have you sampled the thrill in such an engine micro-poise-balanced to smoothness a wrist watch can't hope to equal?

Today's winter-roughened

roads give you swell chance to try out Buick's gentle ride — raw weather emphasizes the stout snugness of Unisteel Bodies by Fisher and the convenience of the Flash-Way Direction Signal.

Now's when you most need firm new rubber — sure, soft, tiptoe brakes — Buick's automatic choke — stout, taut frames and rugged bodies, and why wait for spring to buy beauty that gives your spirits a lift?

Then too, driving speeds are naturally lower now and driving distances shorter, making this the best time of all to get a car properly started in life.

So figure it out! It's a new year. You've turned a new leaf. Ask your Buick dealer what a new Buick will cost you now — and let every month of 1940 contribute to a happy new year!

The model illustrated is the Buick Super model 51 four-door touring sedan \$1100 delivered at Flint, Mich. White sidewall tires additional.*
