Christian Science Churches

"Sacrament" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, January 14.
The Golden Text was, "I am the Lord that bringeth you up out of the land of Egypt, to be your God; ye shall therefore be holy, for I am holy" (Leviticus 11:45).
Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Create in me a clean heart, O God; and renew a right spirit within me. Restore unto me the joy of thy salvation; and uphold me with thy free spirit" (Ps. 51:10, 12).
The Lesson-Sermon also included the following correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "One's aim, a point beyond faith, should be to find the footsteps of Truth, the way to health and holiness. We should strive to reach the Horeb height where God is revealed; and the corner-stone of all spiritual building is purity. The baptism of Spirit, washing the body of all the impurities of flesh, signifies that the pure in heart see God and are approaching spiritual Life and its demonstration" (p. 241).
