

\$12,500 Budget Highway Association

The Board of Directors of the Oregon Coast Highway Association met at Newport last Sunday with all counties represented. Twenty-two members present constituted the largest attendance on record in eight years.

Executive sessions lasting five hours developed an expanded program for development of tourist and vacation travel to the Oregon Coast.

Among important actions taken were: approval of plans for widely distributed newspaper publicity; appointment of committees to study fish and game conservation; referred to the membership certain proposed amendments of by-laws to give cities and counties broader membership privileges; set dates for the spring meeting at Crescent City May 5 and 6.

A budget for 1940, totalling \$12,500, was approved by the directors. This is an increase of \$2,900 over what was spent by the association last year.

J. W. Lundin, Lincoln county vice-president, presided. Others present included Austin Osborn and Guy N. Hieckok, Astoria; Clyde Mason, Seaside; Sam G. Reed, Neahkahnie; W. L. Nichols, Manhattan; Fred H. Guyton and John Aschim, Tillamook; C. A. Malone, Newport; Claude E. Hall, Waldport; Hon. Earl Hill, Cushman; J. G. Houghton, Orville Cox and Roy F. Bowman, Florence; John C. Diehl, Reedsport; E. L. Tolman, Winchester Bay; C. H. Coe and A. B. Sanders, Marshfield; J. E. Norton and Lufe Compton, Coquille; M. E. Kelley, Fort Orford; Judge A. H. The men working in Coos county are: Floyd Rigby, William Davidson, Ardon Maiden, Harold Nash.

Valley Boys Enlist in Army

Two enlistment notices were received from Portland this week. John C. Beeley, of Coquille, son of Mrs. Ethel C. Beeley-Littler, county health nurse for Coos county, and Roy K.

Cook, son of Mr. and Mrs. Tike Cook, of Myrtle Point, applied for enlistment to Corporal Joseph W. Cushman, local recruiting officer, passed their final examinations in Portland last Wednesday and took the oath of enlistment in the army air corps for station in Hawaii, on the island of Oahu. Both men will be sent to Fort McDowell, Angel Isle, Calif., to await the sailing of the next army transport for Hawaii.

COQUILLE'S DESTINY

The following, written by Les Childs three years ago, referred unquestionably to the possible, yet probable, black liquid gold which lies buried in the bosom, deep down, of Mother Earth, yet should petroleum never be discovered in commercial quantities in this valley, the thought

of a glorious Coquille is conveyed in the lines of the poem which makes its publication worth while:

Tucked among the hills, a little town
Like a jewel it twinkles in the night
Destiny declares it yet shall wear a crown

For mother nature has a gift in sight.
To those who see, a picture is in store;
But those whose eyes are closed just criticize

Men are made to fight, and to explore
Some have what it takes, to win the prize.
All jewels first are found within the mind.

The eyes of the soul see visions to fulfill
Faith, Hope, Courage, are with the kind
To make a larger jewel of Coquille.
