Artists-Models Ball at Gold Beach

Citizens of Gold Beach have sent word that Saturday, March 23, is a red letter day to be circled on everyone's calendar. The reason is the first annual Artists and Models Ball to be given as an Art Center benefit on that evening in the high school gym at Gold Beach.

With the entire facilities of the Center, plans have been made to decorate entirely in the Bohemian manner, taking the streets of Paris with artists and models living a carefree existence. This is to be a costume affair with prizes given to those persons wearing the best, funniest, and most original dress. Bum Gartin's orchestra from Bandon will furnish the music.

The dance in the evening will not be the only event that day for the committee in charge has also arranged to hold open house at the Art Center from two till five in the afternoon. The program will include a conducted tour of the galleries, demonstrations by the various classes, and a preview of "You Can't Take It With You," the forthcoming production of the dramatic group at the center. This affords a grand opportunity for those who have not previously visited the art center to acquaint themselves with its activities.

Admission to the dance has been kept to forty cents per person. The art center program is, of course, free since all activities of the center are open to the public.
