

Camp Fire Girls

The "Coquille" group of Camp Fire Girls celebrated the opening of the fishing season by getting out the willow pole, all of mother's string, dad's old hooks, a good lunch and making a beeline for the river and parts unknown. They fished, explored, ate and went boat riding. Everyone had one of the best times ever had by any Camp Fire group.

The party included Harriet Walker, Helen Hickam, Laura Emily Ruble, Donna Gormley, Louis Terry, Velma Coy, Roberta Medley, Betty Lee Renfro, Geraldine Price and Miss Hartwell.

Miss Roop's Blue Birds have been meeting on Saturdays at the home of Mrs. Estelle Harbison. They have been planning a program to give at the County Fair.

The Ha-Spo-Che and Checks-chamay Camp Fire girls met last Friday afternoon in the Lincoln school. At this meeting Mrs. Godard, their guardian, told them she was sorry but she could no longer be their leader but that she had found them a new one. Mrs. O. L. Wood will now take over this duty. All of the girls in both groups appreciated Mrs. Godard's work and thank her very much for helping them to get organized.

Saturday, April 13, at 11:15 a. m., the girls went on a five-mile hike

to Mrs. Kramer's home on the Fish-trap road, where they built a bonfire and fixed their lunch.

At the May Day ball to be given on April 27, some of the girls of these groups will be ushers.

Jr. Woman's Club

For Monday evening, April 22, an interesting meeting has been planned for the Coquille Junior Women's club.

At eight o'clock Mrs. Marjorie Rowland will show colored moving pictures of the recent style show sponsored by the club.

After the showing of the pictures, an important business meeting will be held. The nominating committee and the committees for the installation banquet to be held on May 25 will be announced.

Following the business meeting the club will celebrate the golden jubilee birthday of the general federation of Women's Clubs. Mrs. Leo E. Sohler, assisted by Mrs. Harold Stevens, has charge of the program. A skit, giving the history of the general federation and the local club, will be given. Each member is asked to bring a birthday gift of one cent for every year of her own age.

It is hoped that every member of the Coquille Junior Women's Club will be present at this meeting.

INTERESTING FACTS ABOUT BEER AND BREWING

100 INDUSTRIES BENEFIT FROM BEER AND ALE

Did you know that the return of beer and ale brought increased business to more than 100 industries? It did. Services and materials were needed. New jobs were made for workers.

NATURE MAKES BEER!

A simple natural process produces beer and ale from water, malted grain and hops. The brewer applies his skill to help give these beverages their fine taste.

BEER'S TAKES—\$1,000,000 A DAY—COULD PAY FOR GRAND COULEX DAM IN 184 DAYS

Grand Coulee Dam on the Columbia river will be the most massive structure ever built by man. Beer's taxes—Federal, State and local—could quickly pay for it.

WHY BEER IS THE BEVERAGE OF MODERATION

Beer's alcoholic content is very low... lower than any other alcoholic beverage. That is why it is called "the beverage of moderation." You are not likely to get in trouble if you stick to beer.

BOUGHT BY BEER AND ALE: 25 BILLION POUNDS OF FARM PRODUCTS

Steadily, year after year, the brewing industry gives American farmers a big order for farm products. That's a help farmers appreciate.

OLDER THAN THE PYRAMIDS OF EGYPT

Beer has been brewed since the beginnings of recorded history in many parts of the world. It was known in ancient Egypt, in China, and the Euphrates valley.

"CLEAN-UP OR CLOSE-UP" A NEW PLAN TO PROTECT BEER RETAILING

One of the most interesting things about beer and ale is the brewing industry's program to keep retailing wholesome. This program is now in effect in a number of states. It is being extended. We want you to know about it. Write for booklet, United Brewery Industry Foundation, 19 East 40th St., New York, N. Y.
