"Virginia City" Opens Wednesday At Roxy Theatre

With Errol Flynn in the type of dashing role that had "Dodge City" breaking records, and Miriam Hopkins awarded the important leading role on the strength of her fine performance in "The Old Maid," Warner Bros. "Virginia City" promises to be one of the Roxy Theatre's major attractions of the season. It opened Wednesday.

The background of the film is a page out of America's most gripping historical era, the West during the Civil War. The setting is the colorful, lawless "mushroom" mining town, Virginia City, during its rowdiest days. The theme recounts an authentic episode which Robert Buckner adeptly wove into the moving screen play. Michael Curtiz, one of Hollywood's most skillful directors, filmed the production.

As a Union Intelligence officer, Kerry Bradford, portrayed by Errol Flynn, is sent to the new Virginia City to track down a gold shipment intended for the Confederacy, sent by Southern sympathizers in Nevada. His romance with the Queen of Nevada's dance halls, Julia Haynes, Miss Hopkins' role, is short lived when the girl has him kidnaped and he learns she is a Confederate spy.

Bradford is taken prisoner on the Southern gold caravan, led by Vance Irby, played by Randolph Scott. When attacked by bandits, led by a notorious guerrilla, portrayed by Humphrey Bogart, it is Bradford who outwits the band and saves the caravan. He refuses to surrender the gold, claiming it belongs to the men who mined it. Held for court martial, it is news of the war's end that exonerates him in the eyes of the North, the South and Miss Julia Haynes.

The impressive supporting cast includes such seasoned players as Alan Hale, Frank McHugh, Guinn "Big Boy" Williams and John Litel.

June Term To Open Monday

The June term of circuit court will open next Monday. The grand jury which began its investigations of cases brought before it on Tuesday this week will also report next Monday. There are not many cases to come before the grand jury this week, nearly all the cases having been disposed of in justice court.
