TIRE REPAIRING

WE SPECIALIZE on permanent repairs for cut or broken casings and tubes, any size or type. All work fully guaranteed. Thornton Tire Service. 221ts

TIRES COST MONEY—Why Throw Them Away? For very little we can make that old casing give you thousands of extra miles. Don't confuse our method, **The Modern Way**, with the old, unsatisfactory vulcanizing process. Ours is entirely different! We use low electric heat, applied from both sides under very high pressure, thus welding the new, live rubber and fabric to the casing, making a soft, flexible and safe union; one that will outlast any part of the tire. All we ask is that you give us a trial. You run no risk as we absolutely guarantee to please you or refund every penny you pay. Bring in your old casings and let us examine them for you. We also have a few good repaired casings for sale at reasonable prices. Look them over—we may have just what you want.

O. K. RUBBER WELDERS
410 South Hall St. Phone 1144R
Coquille, Oregon

WE Vulcanize your tubes—not cold patch them. No extra cost. 340 West Front street, Coquille. Thornton Tire Service.

WANTED

WOMAN WITH CHILD 7, wants work in home or ranch work, prefer work out of town. Send information Box 112, Coquille. 11*
