

Industry Ready to "Keep 'em Rolling" for Defense

Graphic illustration of the way in which one of America's greatest industries gears its activities with the United States Army for national defense is found at Little Falls, Minn., where the greatest production maneuvers in the history of the country are being held Aug. 2—Aug. 24. To "keep them rolling," Chevrolet, one of the largest suppliers of motor transport equipment to the nation's armed forces, has set up through one of its dealers, the Bert Boston Motor Co., of Minneapolis, a complete parts and service headquarters in the military reservation at Little Falls. More than \$10,000 worth of parts is maintained at this depot, where three service representatives are on duty 24 hours daily to service Chevrolet equip-

ment in use. The \$5,000 troop in actual combat maneuvers will use 1,128 Chevrolet transport units, including officers' cars, reconnaissance cars, hundreds of trucks adapted to special uses, and military ambulances. Upper left in the photo shows army transport crewman servicing an ambulance. Upper right is the Chevrolet parts and service headquarters tent, where service experts are always on duty. Lower left is Lt. Col. R. F. Baumgardner, of the Minnesota National Guard Quartermaster Corps. At lower center, an officers' car used by the major-general in command of the Little Falls commandment is being serviced. Lower right is an interior view of the Chevrolet parts tent, showing completeness of stock.

Coos County Y. G. A.

Coos county will soon have a Pomona YGA. In the near future, Arthur Brown, state Grange deputy, will be in Coos county for that purpose. With several months of good build-up, and the interest and support of the subordinate granges, this movement for a Pomona YGA will soon become a reality.

The first step was laid a year ago when a YGA member who had attended state grange brought to the attention of Coos Pomona Grange some of the interests and principles of this organization. At that time there was one subordinate unit in the county. This year, with two sub-

ordinate units and interested young people in other granges, the organizing of a Pomona YGA becomes almost a necessity and will certainly be an asset. Pomona Grange is actively interested in assisting such a movement this year and as soon as possible will consider the application of this united group of young people for a Pomona YGA.

The meeting will be held in the Fairview Northfork Grange hall and Fairview YGA will act as host. At the August meeting of this unit, Nancy Sonneland was appointed by the president to make arrangements for the meeting. The following committees have been appointed: Serving of refreshments, Annamese Hol-

verstott and Nelda Norris; clean-up, Harvey Thommen and Lorraine Norris; reception, Arden Harrah, Ray Deadmond and Nancy Sonneland; bonfire, Charles Thommen and Kenneth Holverstott. The evening will be devoted to Brother Brown but refreshments of sandwiches and coffee will be served afterwards. Tentative plans for a bonfire party and marshmallow roast have been laid. This will serve the double purpose of burning up brush and later, providing entertainment for those who wish to remain.

The meeting is especially for eligible Grangers from fourteen to thirty-five, but any subordinate Granger is welcome. Officers will be

electd at this meeting and also the Youth Committee, composed of three Pomona Grange members, chosen by the young folks, who will act as advisors to the Pomona Unit.

Fairview Northfork YGA has finished cleaning up around the hall and three dollars and fifty cents from the Grange Fire Insurance will be given them.

In the State YGA scrapbook contest, which was conducted the past year, Coos county's scrapbook took second place and won fifty cents. The scrapbook was compiled of all newspaper notices of local and county YGA activities which were clipped and saved by the county advertising chairman. We wish to thank the "Sentinel" and its staff for the wonderful co-operation they have given us. The contest is closed but the record of activities will go on and be of interest to future YGA'ers. Nancy Sonneland, Coos Co.

Civil Service Exams Announced

The United States Civil Service Commission has announced open competitive examinations for the positions listed below. Applications must be on file with the Commission's Washington office not later than the closing dates mentioned. Two closing dates are given—the first governs receipt of applications from persons in states east of Colorado; the second, from Colorado and states westward. All salaries given are subject to a retirement deduction of 3 1/2 per cent.

For the first five examinations the closing dates are September 23 and 26, 1946.

Assistant marketing specialist (fruits and vegetables, canned or frozen), \$2,800 a year; also Junior, \$2,000 a year; Bureau of Agriculture Marketing Service, Department of Agriculture. Applicants must have had experience in the canning or freezing, standardization, and grading of canned or frozen fruits and vegetables. They must not have passed their fifty-third birthday.

Specialist in conference planning, \$4,000 a year, Office of Education, Federal Security Agency. Applicants must have had college education and experience in planning and conducting conferences, forums, and other group activities. They must not have passed their fifty-third birthday.

Physical director, \$2,000 a year, in the United States Veterans Administration. Applicants must have completed a 4-year course in physical education and must have had experience in administering therapeutic exercises or conducting a physical education program in secondary schools. Applicants must not have passed their forty-fifth birthday.

Physiotherapy aide, \$1,800 a year; also Junior, \$1,400 a year; United States Public Health Service, Federal Security Agency, and Veterans Administration. Applicants must have had study in physiotherapy or physical education, or experience in physiotherapy work. Applicants must not have passed their forty-fifth birthday.

Senior scientific aide (taxidermy), \$2,000 a year, United States National Museum, Smithsonian Institution. Applicants must have had certain technical museum and laboratory experience. College study in botany, geology, and zoology may be substituted for part of the experience. Applicants must not have passed their fifty-third birthday.

Under mimeograph operator, \$1,200 a year, for appointment in Washington, D. C., only. Applicants must have had three months of full-time experience in the operation of mimeograph machines. They must have reached their eighteenth birthday, but must not have passed their fifty-third birthday. Closing dates are September 11 and 14, 1946.

Full information as to the requirements for these examinations and application forms, may be obtained from Alton Grimes, secretary of the board of U. S. Civil Examiners, at the post office in this city or from the secretary of the Board of U. S. Civil Service Examiners, at any first or second class post office.

The United States Maritime Commission has announced an examination for Deck and Engineer Cadets in the Merchant Marine of the United States. These positions are not under civil service, and the register of eligibles will be maintained by the Maritime Commission. Applications must be filed with the Supervisor of Cadet Training, U. S. Maritime Commission, Washington, D. C., by October 15, 1946. Unmarried men between the ages of 18 and 25 who can produce evidence of good moral character will be eligible to compete for the examination. Rigid physical requirements must be met. Further information regarding the examination is contained in the formal announcement posted in first and second class post offices. Persons desiring copies of the announcement and application forms may obtain them from the Supervisor of Cadet Training, U. S. Maritime Commission, Washington, D. C.
