Ancil Haga Buried Monday

Ancil Haga, brother of Orville Haga of this city, and a son of Mr. and Mrs. John Haga, prominent residents of the Bear creek section for many years, passed away at a Eugene hospital last Friday. He had been taken there a week before for an operation and it was at first thought he was improving. He had been ill for the past year.
Chas. E. Schroeder went out to Eugene and brought the body to Bandon where funeral services were held at the Baptist church on Monday of this week. Interment was in the Bandon I. O. O. F. cemetery.
Mr. Haga was born July 17, 1900, on Bear creek and had lived in this section all his life. He was married to Miss Wava Nulf in 1921. She survives as does their son, Graydon, 17 years of age.

Non-Partisans For Willkie

Forty-eight nonpartisan voluntary Willkie-McNary committees are active in Oregon this week, Ralph D. Moores, state manager, reports.
"New committees are forming daily and there is a very gratifying swing of nonpartisan, volunteer workers to the Willkie-McNary banner in all parts of the state. While many of these voters have never before taken an active part in politics, their enthusiasm makes up for their amateur standing and I am sure they will be a potent factor in carrying Oregon for Wendell Willkie and Oregon's favorite son, Charley McNary."
Howard M. Wall, state chairman of the Willkie-McNary Nonpartisan Voluntary committee, says that most of the committees have been formed on the initiative of local groups and are drawing strength from every economic bracket of Oregon citizenry.
"It's an enthusiastic, volunteer movement with scores of former democrats assuming leadership in their communities."

City Police Cases

Two young fellows, who have been engaged in black sand mining were before Recorder Leslie last week-end. Chester Grounds, having no operator's license nor funds, was given a \$5 suspended fine on condition he leave town. This he was able to do when the county court was persuaded to buy him gas. His companion, Francis Fontaine arrested on a vagrancy charge, told conflicting stories about being a Marine Corps deserter, being a parole from San Quentin and being required to report to the sheriff at Klamath Falls. After investigation no reason for holding him further was learned and he was allowed also to leave town.

Chas. Sanberg, of North Bend, and Hugo Eric Peterson, both arrested last Saturday on disorderly conduct charges, each deposited \$5 cash bail, which was later declared forfeited.

John Darling was given a \$10 suspended sentence on his story to the judge that he was going to enter the Veterans Hospital for an operation.

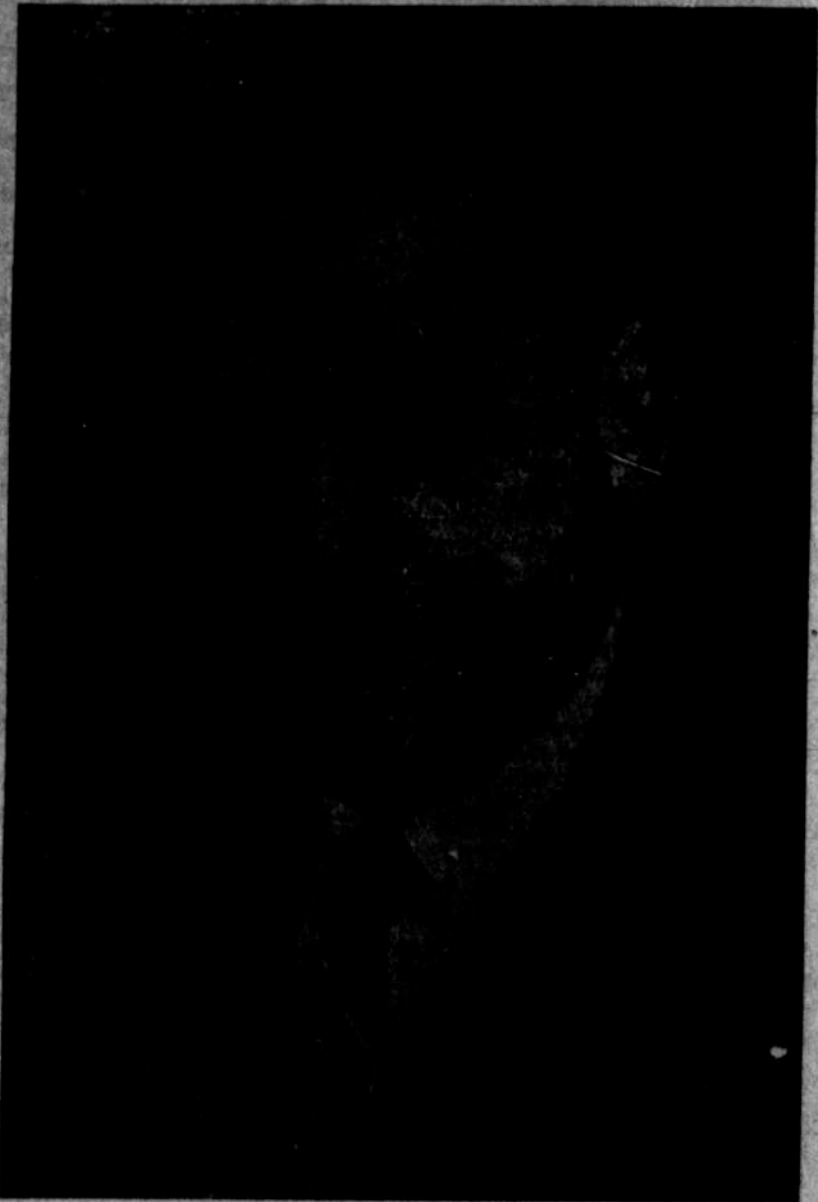

Walter Calvin Smith, arrested last Thursday, is serving ten days for several recent fines which he had not paid.

Sheriff Gone To Get Dupree

Sheriff Wm. F. Howell left Monday for Spokane to bring back Harold Dupree wanted here for forgery several weeks ago. He has been serving time in the jail there for the past two months, and it was not known whether his fight against extradition would be successful or not.

4-H Club Activities always a Headliner at Pacific International Livestock Exposition
PORTLAND
OCTOBER
5 to 12

Pictured above is Senator McNary, Republican nominee for Vice President, an enthusiastic supporter of 4-H Club work with "Baby" King of Meru, Oregon, and his Grand Champion 4-H Club Hereford Steer.

The old saying is, that "Records are made to be broken", but the record held by the State of Oregon 4-H Clubs for number of completions of training in proportion to enrollments will probably stand for many years to come.
With a total of 2,908 clubs in Oregon, it is little wonder that the enrollment is proportionately large. Present figures show an enrollment of 9,962 boys and 12,979 girls, or a combined total of 22,941, of which there were 20,182 completions, or boys and girls who continued through the full time of training—an outstanding record of 88.11 per cent. Other northwest states are not far behind in percentage, but their enrollment is not so large as Oregon's.
In addition to 4-H Clubs of Oregon, five other Western states are sending teams to the Pacific International Livestock Exposition in Portland, October 5 to 12 to compete in demonstrations of their various projects. An American Flag, made of silk, is awarded annually to the winning team.
Mr. O. M. Plummer, general manager of the Exposition, stated recently during an interview, "There is no limit to the value of 4-H Club work to the present and future of the Agricultural Industry of this Country, and as in past years the demonstrations by 4-H Club members will hold the spotlight during this year's Exposition."
Other Exhibits will include Dairy and Beef Cattle, Horses, Sheep, Hogs, Poultry, Pet Stock, Dogs, Land Products, and Industrial Exhibits.
Of special interest will be an Exhibit by the United States War Department.
For entertainment, Mr. T. B. Wilcox, Jr., president of the Exposition, states that he has succeeded in obtaining Victor McLaglen, well-known movie star and his famous Light Horse Troop, also a group of outstanding Mexican Charros (cowboys of Mexico), from Mexico City, in addition to the usual brilliant Horse Show and thrilling Rodeo.
