

Beef \$1 Pound In HongKong

Some one remarked last week, "Wouldn't it pay to drive a herd of cattle over to China for Tommy Wing?" The price he has to pay for beef, as mentioned in the following letter J. Arthur Berg received from Tommy, would indicate such a venture might be a paying proposition:

I have the pleasure to write to you and hoping this will reach you there to meet your best in good health. Since I came back to China, I found nothing suitable for me to do, so that I had with all what I can to open a restaurant but it is too little capital and make me too worry about for that. Our business opened from early morning until midnight, drinks and meals, excepted liquors. Me had over 18 men including cooks, confectioners waiters and other servants.

The beef and mutton is average price \$1.00 a lb. and fruits \$0.50 a lb. and vegetables \$0.35 a lb. in Hong-kong currency. The sugar, flour, so dear, double price, like before. I hope the war be quick finish. Hong-kong have over 1,500,000 citizens but over one-third were refugees.

My restaurant business can get progressive if capital can enough. How about Coquille business? I hope o. k. I am too weak, I like everywhere, but I like America more better.

I liked in Hongkong o. k. but the business had trouble me too much, worry about and often get ill. I am not lazy, not forget your kind gentleman, but I had so busy from day and night and often sick, the climate make me not well too. I haven't send you and most of all of our good friends any cards, very sorry, excuse me. I hope, after all, the war stopped, America to stop this, the world get peace again. I can get strong as before too.

'River's End' Coming To Liberty Theatre Saturday And Sunday

The Northwest Mounted's most exciting man-hunt is shown Saturday and Sunday at the Liberty Theatre when James Oliver Curwood's "River's End" crosses the screen. Starring Dennis Morgan, George Tobias and Elizabeth Earl, the Warner Bros. thriller tells a dramatic tale of civilization's last outpost and the scarlet-costed Mounties who rule it!

Sergeant Coniston didn't know it, but he was starting out on the strangest case in the history of the Mounted, when he set out for River's End, the Dodge City of the North. He was searching for John Keith, an escaped murderer, fighting his way through the silent snows to freedom. And waiting at the end of the trail was a girl fearfully awaiting the winner—her sweetheart or her brother.

Dennis Morgan, whose most recent screen appearance was in "Flight Angels," is given the best part in his career. He plays the dual role of Sergeant Coniston and John Keith, the man wanted for murder Elizabeth Earl, beautiful, young English actress makes her motion picture debut as the girl who is torn between love for her brother and for her sweetheart. Advance reports credit her with turning in a scintillating performance that is certain to bring stardom at Warners to the gifted actress. George Tobias, noted character actor, is to be seen in the role of a French-Canadian who remains Sergeant Coniston's devoted servant in spite of Steffi Duna's attempts at marrying him. Other members of the cast include Victor Jory and James Stephenson.

Adapted from James Oliver Curwood's greatest adventure story, "River's End" is certain to please movie-goers everywhere. Ray Enright directed the stirring film while the screen play was written by Barry Trivers and Bertram Millhauser.

Bulldogs Go To Salem Next Week

The North Bend Bulldogs will represent Coos county district No. 5 at the high school basketball tournament in Salem next week, March 13-14-15. Their victories in the county tournament at Marshfield last Friday and Saturday were expected, but not by so impressive scores as they did roll up.

Friday evening the Bulldogs won from the Coquille Red Devils, 44 to 21, and Saturday evening from the Marshfield Pirates, 49 to 21. The Pirates had won from the Myrtle Point Bobcats Friday evening in what could be called the biggest surprise of the tournament by a score of 39 to 32.

The "hottest" game of the two nights was the consolation preliminary Saturday evening when the led switched time after time, between Red Devils and Bobcats. The latter were leading 36 to 35 when with less than five seconds to go, Kollar tossed one of his long range shots which hit true and put the Red Devils ahead, 37 to 36.

Fifteen Hard Earned Dollars To Grange

Grange Master Henry George, at Friday evening's meeting, appointed Earl Cross to fill the post of business cooperative agent in the grange. A newly created department, the work of Mr. Cross is expected to be of substantial benefit to grange members.

Fifteen "experience dollars" were reported as being contributed to the grange building fund since the start of the contest two months ago. According to contest rules, each grange member is supposed to earn a dollar the hard way, either by deprivation of some treat or doing a task out of ordinary routine. To the person earning his dollar in the most interesting and unusual fashion, a prize will be awarded.

The program, which was arranged by the Lecturer, Mrs. Effie Shindoll, included songs by eight gaily costumed girls from the Coaledo school. George Oerding won the Pig in the Poke and Mrs. Florence Hallock won 10 pounds of flour. Members of the refreshment committee included Mrs. W. E. Cross, Alice Oerding, Mrs. Effie Shindoll, Ida Oerding and Mr. and Mrs. Cince Finley. Thirty-eight members attended the meeting.

Junior C. of C. In W.O.W. Hall, Mar. 11

A meeting of the board of directors of the Coquille Jr. Chamber of Commerce was held Tuesday evening at the home of the president, George Gratke. These meetings are to be a regular occurrence from now on and most of the routine business of the organization will be taken care of in this manner. It was decided that this would leave more time at the regular semi-monthly meetings to devote to entertainment and programs.

The main topic for discussion during the evening was the matter of a suitable meeting place and it was finally arranged to secure the W. O. W. hall for Tuesday evening, March 11 at which time the next regular meeting will be held. A very interesting program has been arranged and the evening is to be devoted almost wholly to program.

The organization has gotten off to a flying start under the leadership of its new president and it is hoped that much good will be accomplished during the ensuing year by the club.
