coming year, and by Mrs. J. Hunt Hendrickson, of Portland, who is in charge of the Women's Auxiliary youth work.

In the absence of the president and vice president, Mrs. Forrester of Marshfield presided at the business session which followed.

There were 110 present for the dinner which all the organizations of the church in the county had helped provide.

Mr. Turney presided at the speaking session which followed the dinner, the speakers being Mrs. Arneson, whose subject was: "Women of the Church;" Mrs. Hendrickson, "The Gearhart Summer School;" Rev. Pary Smith, of Roseburg, and Mr. Guilbert who spoke in humorous vein with no set subject.

At the convocation at which Mr. Guilbert was elected dean, Bishop Dagwell gave an address and then showed motion pictures of the general convention of the church in Kansas City last October, with a running commentary on the pictures.

The next convocation will be held in the fall, date and place to be announced later.

Rose" and after that furnish appropriate music for the Square Dance, which will be directed by Superintendent B. W. Dunn. Carlton Smith will call the dance.

Miss Bessie Christensen has directed five couples of second graders, who will perform a Dutch dance to music played by Avis Ricketts.

The 45 members of the high school band will play for a drill group, composed of 16 Junior High girls, who have been trained by Helen Martindale.

Five couples of 4th graders, directed by Miss Ethel Roop and accompanied by Cherie Mae Hartwell, will dance the Varsuvianna.

Muriel Dae is staging a spectacular number. Four of her violin students, Ronald Williams, Maurice Williams, Geraldine Oerding and Jack Carol, will be supported by Noble Chowning, Jr., playing the clarinet, Vera Bishop, the guitar, and Verene Bailey at the piano, when they play Hungarian Dance No. 6 by Brahms. When the musicians have finished their number, they will play Hungarian No. 5 for eight Gypsy Dancers, who have been directed by Mary Margaret Gedney.

The Highland Fling will be performed by eight third grade girls, directed by Mrs. Elton Savage and accompanied by Avis Ricketts.

Four Junior High girls, directed by Miss Pat Young, will do an Irish jig. Thirty-six fifth grade girls will participate in the winding of two Maypoles. One group is directed by Miss Hazel Moffet and the other by Miss Ruth Towne. Avis Ricketts accompanies them.

Mrs. Wendel Sandall has coached ten Junior High girls, who will dance the Virginia Reel. Waneta Wardrip accompanies this number.

"Beautiful Dreamer" will be sung by the Girls Glee club, directed by Tom Cautheers.

Final number on the program is a patriotic tap dance by those two town favorites, Peggy Stewart and Tommie Hickenbottom. Verene Bailey plays "God Bless America" for their dance.

Because ball room dancing is not encouraged at the high school gym, the Junior Chamber of Commerce is giving a May Festival Dance at the I.O.O.F. hall after the program. Queen Virginia and her princesses will be the honored guests of the young men.

Some of the products of industrial research which are contributing to national strength, and which give promise of future improvements of an important nature, are a part of the General Motors traveling exposition, the Parade of Progress, which was launched recently on a nation-wide tour. At the formal opening of this scientific exhibit, Charles F. Kettering, research leader, declared that the permanent defense of America in the immediate future and in succeeding years is going to require greater ingenuity and inventiveness, more dissatisfaction with old, inefficient ways of doing things, more real hard work than ever before.
