Parents and friends enjoyed a picnic dinner at the Fairview schoolhouse on May 16, the end of the school term.

The following pupils had perfect attendance records during the entire school year: Claire Freeman, Barbara Barton, Tay Robbins and Lavonne Norstedt.

The Fairview school held its close of school picnic last Friday afternoon. Miss Ida Oerding, teacher at the Riverside school, took the children of the school on a factory and business house tour of Coquille last Tuesday.

Those attending Pomona Grange at Sumner last Sunday for the fifth degree were Mr. and Mrs. Perry Neal, Mr. and Mrs. Charles Geitner and Mr. and Mrs. Lewis Summerlin.

Mrs. T. H. Benham and daughter, Karyn, and Mrs. Boyd Beck made a trip to Langlois last Friday.

Mrs. Mariam Ward and daughter, Ruth Maxine, of Ten Mile, have been visiting with her sister, Mrs. Billy Griggs, for the past two weeks.

Several people of the valley have been ill the past week. Among them were Mrs. J. A. Deadmond, Harold Neal, Clarence Deadmond and Mrs. C. C. Stark.

Mr. and Mrs. Glenn Richardson and daughters, Glenda and Melba, visited in Roseburg last Saturday, returning with a new car.

Charles Thommen, son of Mr. and Mrs. Albert Thommen, spent a few days at home last week. He has employment in Marshfield.

The Fairview North Fork Frange, No. 739, will hold its regular meeting next Saturday evening at the Grange Hall.

Mr. and Mrs. Henry Crump visited in Marshfield last Friday evening.

Men have been busy the last week or two clearing the right-of-way for the power line on the upper North Fork.

Mr. and Mrs. T. H. Benham and daughter, Karyn, went to Eugene last Sunday. Their son came home with them and returned to Eugene on Monday morning.

This week the writer was shown over Mrs. Jack Nicklaus' lovely landscaped yard and lawn. It's a hobby with her and it is remarkable how she and her son have mixed the wild shrubs and flowers with the tame, making it a beautiful combination which is truly very catchy to the eye.

The T. H. Benhams were visitors at Eugene Sunday.

Dr. Beadner, U. S. veterinarian, has been gathering up the loose ends of the cow testing for abortion and T. B. the past week.

Mrs. Della Shephard moved back to Marshfield Monday after completing the school term here.

Mike Morrison has started a logging camp on the Fairview-McKinley road.

Harold (Buss) Berry is spending a short time here with his parents. He is working for the Southern Pacific; has been in Portland but is now doing some work for the S. P. at Marshfield.

Chester Norstedt was taken to the Belle Knife hospital at Coquille with pneumonia last Sunday.

H. M. Waldo will be moving to West Lake, Ore., this week to join the rest of his family there. He has completed a satisfactory year as janitor here in the schools.

Mrs. Hugh Corliss, formerly Maude Haskins, was laid to rest here in the Fairview cemetery Tuesday afternoon.

Nurses Needed For The Government

As a part of the National Defense Program, the Government months ago began preparation to meet an anticipated need for an unusually large number of nurses, both in its military and civil services. The United States Civil Service Commission has announced open continuous examinations to secure nurses, but despite these examinations, there is a continuing acute shortage of nurses for the civil service positions.

Two examinations are now open for receipt of applications. One, announcement No. 38—under the title of Public Health Nurse, \$2,000 a year, and graduate nurse, \$1,800 a year (for general staff duty), is open for the U. S. Public Health Service and the Indian Service, including Alaska. This is an "unassembled" examination: Applicants are not given a written test but are rated on their professional training and experience as shown in their applications and by other evidence. The other—Announcement No. 100—under the title of Junior Graduate Nurse \$1,620 a year, is for the U. S. Pacific Health Service, the Indian Service, and the Veterans' Administration. This examination now includes a written test. It is expected, however, that it will be closed soon and re-announced as an "unassembled" examination. The Civil Service Commission does not expect to require a written test of persons who have already filed their applications but who have not been given the test.

Mr. and Mrs. Ed Brodie left last Friday on a weekend trip and were accompanied by Mrs. Vesta Soper and Mrs. Darrell Brodie. They motored to Brownsville where Mrs. Soper stopped off to visit her son and family. The Brodies then journeyed on to Vancouver, Wash., and stayed all night, on Saturday they went to Long Beach, Wash., where Mr. and Mrs. Darrell Brodie reside. Darrell is in the army service near there. Mr. and Mrs. Ed Brodie returned home Sunday.

Freddie Moulton left Tuesday morning with the Brodie cat, enroute to the Fromme ranch near Powers, to do some work.

Melvin Bunch visited his mother, Mrs. A. R. Bennett, Tuesday, returning to Roseburg that same evening to resume his work with the R. E. A.

Called to our attention recently: Why does not the government require the American flag to float over their respective postoffices. In many small cities and towns, post offices are not well enough marked to make them easy to find by a stranger.

Mrs. Edward Bender and children, Beverly and Eddie, accompanied by Mrs. R. C. Latham, all of McMinnville, arrived in the Latham car on Tuesday evening. Mrs. Bender and children visited at the A. H. Bender home and Mrs. Latham was a Tuesday night guest of the Lloyd Leatherman family, near Fox Bridge. The visitors will spend some of their vacation on Bandon beach and incidentally visit with Miss Selma Latham, who is a teacher in the Bandon schools.

Perry Roper and Herman Tedsen entertained a party of 20, for a special evening at Mr. Tedsen's Norway home, Tuesday evening, honoring Otto Davis and Jack Moore who are being transferred by the Standard Oil Co. to Seattle, Wash. This is under the new set up by the company. Cards were enjoyed and refreshments served.

Otto Davis has been with the company for 17 years, practically all this time in Coos county. Both men are very popular and will be missed.

Mr. Roper will have full charge at Myrtle Point for the company, on a commission basis, it is said. We understand that only full time helpers will be Clayton Mast, who has also been with the company for several years.

Mr. and Mrs. A. R. Bennett of Norway accompanied Mr. and Mrs. Warren Deyoe of Myrtle Point on a trip from which they returned Sunday evening. They visited Mr. Deyoe's old home at Albany, went over to Bend and coming back over the Willamette highway encountering four inches of snow. They also stopped at Florence and farther up the coast saw nine sea lions.

Last Sunday, Al Baker's school bus of Myrtle Point was chartered to take a load of Townsendites to Bandon to attend the county caravan of clubs meeting, as guests of the Bandon club. The attendance was 125. A fine potluck dinner was enjoyed.

The Myrtle Point bus was taxed to its capacity. At Norway those joining the bus party were Mr. and Mrs. H. M. MacLean, Mr. and Mrs. Gus Bender and Ellsworth, which made a total of 26, besides the driver. On Bear Creek mountain some oil pipe got plugged up and caused a bearing to burn out, and the party was delayed in leaving Bandon and did not get away until 7 o'clock p. m.

The meeting was opened by the Bandon club president, Rev. D. Loree. A traveling flag which in some Townsend meetings has been saluted by 2,000, was dedicated at this meeting to "Why I am an American."

Announcement was made of the three day Townsend state convention at Eugene, May 23, 24, 25, with

headquarters at the Osborn Hotel. Principal speakers for the final meeting, Sunday at 1:30, will be Robert Z. Adams, regional director from Los Angeles, and Thos. Taite, national representative from the state of Washington.

Manager of Union Oil Co., W. H. Homes, commonly known as "Hank," who has been stationed at Myrtle Point for the past several years has been transferred to Merrill in Klamath county. He was representing the south end of Coos county while here. Mr. Homes will be missed as he was a good booster, active in civic bodies. He was instrumental through the Lions club, in making it possible for the erection of the new grand stand on the Myrtle Point Union high school foot ball field.

The grade children of the Norway school, grades on to seven, presented their promotion and closing day program last Friday night at 8 o'clock in the school house. There was an overflow attendance.

Mrs. Tallant Greenough will not teach at the Norway school next year, she having accepted a contract to teach the Cunningham school near Coquille next year. Unless more children move into the district next year, Mrs. Laura Brandon will be the only teacher.

Mr. and Mrs. Walter Laird, attended Pomona Grange last Sunday at Sumner. Mrs. Laird is the musician for Pomona-grange.

Next Saturday night, May 31, an old time dance will be held in grange hall, Myrtle Point, being sponsored by Townsend Club No. 1, Myrtle Point. The proceeds will go toward helping finance delegates to the national convention at Buffalo, N. Y. Coffee, pie, ice cream and soft drinks will be served in the banquet room. There will be good floor managers; good lively music and a general good time for all. The admission will be gents, 25c; ladies, free. The public is invited.

Help "Keep Oregon Green"

Plans for a statewide "Keep Oregon Green" campaign have been completed by a committee appointed by Governor Charles A. Sprague in the interest of forest fire prevention.

Included in the plans is an educational campaign and the organization of a permanent Keep Oregon Green association in which all Oregonians will be invited to enroll.

"The problem of keeping forest fires from this state is one that affects the self interest of every citizen and the solution of the problem demands a sense of responsibility in every one of us," said Nelson S. Rogers, state forester.

The association urges strict observance of the following "Creed of the Oregon Woodsman":

- Forest Safety and Pledge**
1. I will be sure my match is out. To be doubly sure, I will break it in two before throwing it away.
 2. I will extinguish cigarette, cigar and pipe sparks in the ash tray of my car.
 3. I will not throw burning material from the window of any vehicle, whether moving or standing still.
 4. I will dig down to bare damp soil before building a campfire. And I will remove all inflammable material from around the fire circle.
 5. I will never leave camp before the fire is out—dead out. I will pour water or pack earth over the fire, stirring the coals to make sure no spark is left alive.
 6. I will not smoke at all in the dry Summer woods of Oregon.
 7. Should I see a fire burning unattended along the highway, I will go to the nearest telephone and place a collect call for the nearest Fire Warden. I WILL ACT.
