We are calling upon all Christians to make an effort to be present at some time during the day on Friday, May 30. At a time in our history when things are being looked at in a materialistic way it behooves every Christian to set the example and re-discover the spiritual laws that govern the world. This can be accomplished in setting aside a day of prayer and meditation. We cordially invite you to attend for it is not churchianity that we want but Christianity.

**How Christ Came To Coquille**

He came in the only way He ever comes, or could come. Christ came to Coquille in answer to the agonized supplications of his despised and devoted disciples. And when he came he came as the all glorious, conquering, compassionate Saviour of penitent, believing sinners. He came as lightning out of a clear sky. He came not only to a few of the poor in the community, but to many of the elite, the affluent, the proud, the worldly, the intellectual, and self-righteous. "And to as many as received him to them gave he power to become the sons of God, even to as many as believed on his name."

And now—Christ comes to you— whoever you are. Will you take him as your Saviour from all sin. I beseech you, as one of his ministering servants to do so and be forever happy in his love.  
Rev. Edwin C. Swanson,  
Evangelist George Wallace Scott
