### Two Vacancies From This District at Both West Point And Annapolis

The First Congressional District of Oregon will have two vacancies in 1942 at both the U. S. Naval Academy at Annapolis and at the U. S. Military Academy at West Point.

To determine the eligible candidates residing in the First Oregon district, Congressman has requested the Civil Service Commission to hold a preliminary qualifying examination on Saturday, October 4, 1941.

Candidates for admission to the Naval Academy must be no less than seventeen years of age nor more than twenty-two years of age on April 1, 1942. Candidates for the Military Academy are eligible for admission from the day they are seventeen until the day they become twenty-two years of age, on which latter day they are not eligible. Candidates for both Academies must never have been married.

In order to make the required arrangements it is necessary that applicants notify Congressman James W. Mott, Salem, Oregon, not later than September 15, 1941, of their desire to participate in the examination.

The Oregon Federation of Music clubs will give a free concert daily in the theatre at the Oregon state fair, slated September 1-7, inclusive, at Salem. Free instructive and entertaining movies will be offered each day in this theatre, found upstairs in the agricultural pavilion.

### REVEAL A BIG JOB

Forty miles of continuous cotton cord, hand-tied with more than 181,000 knots, were required to manufacture a gigantic net used by one American company working on defense. The huge net will be used to hold "blimp envelopes," or gas bags, during their original inflation preparatory to flying.

More than 20 operations are now performed in bringing a big gun to bear on its target. So the electrical industry is today playing a big part in the manufacture of these guns by making the motors, controls and calculating devices needed in this work.

In one year's time, starting virtually "from scratch," the American aircraft industry has built nearly 7,000 military planes. Estimates for 1941 show about 18,000 planes will be turned out.

Deadline for all livestock entries at the Oregon state fair is Saturday, August 23. The fair opens at Salem September 1, for a seven-day run.

Stubby, the dog in the Personality Fair that comes to the Oregon state fair at Salem, September 1-7, will report to 26th Century Fox studios shortly after close of the fair.

Children 12 years old and under will be admitted free to the Oregon state fair every day during the full week's exposition opening at Salem on Labor day.

Folks who spend a day at the 80th Oregon state fair are welcome to bring their lunches and spread it under the several groves on the main grounds. Fair dates are September 1 to 7, inclusive. The place, Salem.

Remember Monkey Island at the state fair. For the first time in eight or nine years, a water concession will be found on the state fairgrounds when the 80th fair opens at Salem Labor day. It'll be for the kiddies!

### 30th ANNUAL COOS COUNTY FAIR
