Auxiliary Gifts To Be In Dec. 10

The American Legion Auxiliary maintains, at the Roseburg, and Portland Veterans Facilities, each Christmas, a Gift Shop, in which the men who have no other means of remembering their families at Christmas time, may select, without charge of any kind, gifts to be sent these families. The members of the American Legion Auxiliary send these gifts to the hospitals, where room is provided, in which they are displayed. Those veterans who are able to walk, or who are in wheel-chairs, get to the shop and make their selection. The Auxiliary then wraps and sends the gift, together with a card from the man. Those men who cannot go to the shop have the shop brought to their bedside, on a special gift cart. The gifts must be in the hospital at Roseburg by Dec. 10 at the latest, to give time for the selecting, wrapping and mailing of the gifts.

All American Legion Auxiliary members are requested to attend the special meeting, Dec. 2, at 2:30 p. m., at the Legion Home to pack and mail the gifts. Bring your gift, but do not wrap it in Christmas wrappings. Bring wrapping if you wish. Those who cannot come to the meeting may leave their gifts at Rackliff's Pharmacy, where a box will be provided for them.
