American Legion Meeting Monday

At the meeting of Coquille Post, No. 36, American Legion, the Sea Scout committee reported that the Skipper, Harry Hunt, had resigned owing to the long hours he is putting in swinging the loading donkey about. Bob Stewart has been pinch hitting but asked that a new Skipper be appointed to take over the duties of the Sea Scout Ship.

The Sons of the Legion have run into a snag and it seems it is impossible to untangle it at this time. Because of the strenuous and numerous activities in which the boys are required to participate, the Post went on record as favoring the discontinuance of the activities of the Sons of Legion until next fall, depending on conditions at that time.

Commander Art Berg appointed Mike Broad and Clarence Knupp as the new house committee to succeed themselves in their duties.

The Sea Scout committee reported that the Ship appropriated a ship's bell from Commander Berg, and now they are looking for a ship lantern.

The Post went on record as favoring an ambulance and are ready to get back of the Eagles in their venture of providing and equipping a first-aid car for the community.

The Post has officially gone on record in favor of issuing paid-up membership cards to all the members of the Post who are serving in our armed forces and the adjutant was instructed to issue the cards and mail them to the members.

Taps has sounded for one more of our comrades. Lawrence Rackleff, of Arago, has answered "Here" and is mustered into the ranks of those who have gone before.

Southern Pacific Appeals For Help

Southern Pacific today appealed to local business and professional men, college students, farmers and all other able-bodied men who have time to spare on weekends, for help in overcoming an acute shortage of workers needed to maintain tracks for the speedy handling of vital war traffic.

The railroad, it was emphasized, is currently short several thousand track workers on its Pacific Lines.

In an effort to relieve the situation, Southern Pacific is inaugurating a campaign to sign up men for work on Saturdays and Sundays in this vicinity, according to F. A. Pook, local agent.

The plan was recently tried out at Davis and Palo Alto, Mr. Pook said, with great success. Business and professional men and many others,

eager to help in the war effort, signed up for the emergency jobs and have patriotically continued to devote their spare time to working on the railroad.

Mr. Poole points out that the program offers local men an opportunity not only to perform an essential war job, but also to get healthful weekend exercise and to earn extra money. He is prepared to furnish full information to all applicants, and will endeavor to organize a crew to work during the coming weekend.

Calling cards, 50 for \$1.00.
