Old-fashioned Square Dance Friday Evening

Plans are progressing for the Square Dance at the Community Building Friday night, March 5th. This will be the first ever held here in the new building, probably not the last.

Individuals making up a group who occasionally attended square dances at Sixes River a year or two ago, agree there is nothing quite so exhilarating. Square dances were also held a few times at the Country Club. Several sets have been made up in advance. The forms will be simple and the novice should not find difficulty in carrying them out. The party is being sponsored by members of the Guild.
