### Spring Opening Dance A Beautiful Affair Saturday Eve.

About 350 people attended the Junior Woman's Club Spring Opening dance last Saturday night at the Community Hall. Everyone had a good time and the Juniors will make good use of the money they netted. Part of the proceeds will go to the Milk Fund, which this year is their major project.

The community building presented a very dressed up appearance due to the decoration committee's efforts with the help of individual members. For the past month the Juniors have been at work making the large flower prints used on the walls in the spaces between the windows. These measured 4 1/2 or 5 feet in height and were repeated around the hall, in tulips, daffodils and apple blossoms. The orchestra shell had been painted white and just above it was a gay showing of large spring flowers. Each side of the stage was a garden scene with white fence and flowering trees against a dark background, giving the effect of a moonlit garden. In the ceiling the light from fifteen large lanterns cast a multicolored glow upon the dancers.

The decorations are to be left in the hall to be used for the May Festival. It is a creditable job, effective and professional-looking and properly scaled to the unusually large hall. Placing the lanterns, ingeniously fashioned out of hat boxes cut out and pasted with cellophane, into their fifteen places in the ceiling was a miraculous feat. Bob McCarthy climbed a ladder and accomplished it. Georgia Hansen drew the patterns for the floral prints. All the girls worked for the past month on the decorations.

The committee on decorations was composed of: Yvonne Kern, Lucille Walker, Donna Dean Bosserman and Fay Waggoner.

General chairman was Lunelle Chapin.

Publicity: Mary Morris, Florence Floten and Eunice Howe.

Music: Grace Withnell, Mary Stevens.

Tickets: Vi McBride, Dorothy Harris.

Door Committee: Evelyn Russell, Eunice Howe, Ethel Roop, Pat Thomas, Lunelle Chapin.

The prize dance was won by Mr. and Mrs. Paul P. Bales, of 958 North Coulter. The \$5.00 book of Defense Stamps was won by Pat Yarbrough.

### W.C.T.U. Met Last Friday Afternoon

The W. C. T. U. met at the home of Mrs. Henry Ellis for a regular business session last Friday.

All officers turned in a good report and Mrs. Schram reported 60 books sent to Bandon for the service men's library.

The program consisted of a solo by Mrs. Bessie Couden and a duet by Velma Coy and Rose Marie Peart. The topic of the day was "Absentees," by Rev. M. D. Hemple of the Baptist church, who gave a splendid talk on the subject.

"Liquor was a saboteur—In the hang overs caused by alcohol keeping the workers in our defense works from their work and their best efforts when on the job. Making a shortage in vital labor. Using rubber needed for surgical materials so vital to human lives."

He closed with this paraphrase on the 23 Psalm.

"King Alcohol is my shepherd, I shall always want:

He maketh me to lie down in the gutter,

He leadeth me beside the troubled waters,

He destroys my soul, he leadeth me in the paths of Satan's wickedness for Satan's sake.

Yea though; I walk through the valley of poverty, and have delirium tremens, I will cling to evil for thou are with me, thy bite and sting they torment me.

Thou preparest an empty table before me in the presence of my family, thou anointest my head with foolishness, my cup is empty.

Surely distraction and misery shall follow me all the days of my life.

And I will dwell in the house of satan forever."

The president reported the passing of bill, S. B. No. 240, of which the W. C. T. U. did not approve as it takes liquor funds to use for education and teaching the evil effects on the human body.

Those present were Mesdames Skeels, Fugelson Richmond, Way, Nelson, Erikson, Schaer, Ellis, Doris Schaer, DeNoma, Chowning, Christensen, Couden, Dunn, Wheeler, Laws and Kyhn.

### Auto Liability Insurance Not Compulsory

Under new law to become effective June 10, 1943, the safety responsibility act requires that any driver involved in an accident that results in injury, death, or property damage must within 10 days present proof of \$11,000 worth of financial responsibility or have his driver's license and car registration cancelled. At any time afterwards his license and registration would be revoked immediately if his insurance policy expired or his bond was cancelled.

The act applies whether or not the driver was at fault, exception being allowed only in the case of a car legally parked at the time of the accident. After two years, if the driver paid no damages and no suit was brought against him, he would be permitted to drive and own a car again.

Now the average citizen would rather play safe and place insurance on his or her car than to take a chance with FATE. With a law like the above in force there is not much choice. BUT IT IS NOT COMPULSORY. The cost for \$15,000 insurance is not high. From \$14.00 to \$16.25 per year—depending on the kind of Gas Ration Book you have.
