Evangelist Lindsay has made considerable study of prophecy in the Bible and his messages are informing as well as inspiring. Thursday, (tonight), he speaks on, "The Coming World of Tomorrow," Friday evening he will speak largely out of his own experience, his subject being, "Seventeen Years of Experiences in Preaching the Gospel." Sunday is Palm Sunday, the day of Christ's triumphal entry into Jerusalem, which is commemorated. Rev. Mr. Lindsay's subject Sunday evening is "The Unpardonable Sin."

### C. H. S. Open House Wednesday, April 28

Open House in Coquille High School is an event to which all parents and friends of the high school students look forward. It will be held on the evening of April 28—the same night as the band concert.

The doors will be open at seven o'clock in the evening, and the visitors will enter the building by the gymnasium door so that they can buy their tickets to the band concert on the way in if they wish. All the classrooms of the building will be open, with teachers present at that time.

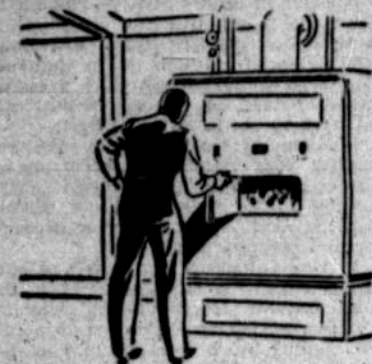

The faculty committee appointed to have charge of the affair consists of Paul Snider, chairman; Mrs. Helen Ayers, Mrs. Ethel Kranich, and Mrs. Ruth Beyers. They will be assisted by a student committee appointed by Student Boy President Jim Howe, made up of Fritz Kunz, Alvin Hickam, Vernon Eldredge and Phyllis Litzberger. These two committees are doing everything possible to see that the evening will be pleasant and profitable for our visitors.

The teachers are planning to exhibit some of the regular class work of their students. They will be glad to talk with any of the parents about that work at any time during the evening from seven until ten, except during the concert which begins at eight o'clock. At that time the rooms will be closed for a period so that all may enjoy the music. It is hoped that all friends and patrons of Coquille High School will avail themselves of this opportunity to visit our school.
