Howdy Folks!

We hope you're all so busy with Spring work and gardening for a couple of weeks, that you forget all about the cars.

However, we still feel it our obligation to take care of emergency jobs for those who try to keep their cars in shape.

Ration Book Three Coming In July

War ration book No. 3, which provides new stamps to replace those running out in existing books, will be distributed through the mails to more than 120,000 individuals beginning late in June and ending July 21, it was announced today.

Under a plan worked out by the price administrator, Prentiss M. Brown, and the postmaster general, Frank C. Walker, the mailing of a simple postcard application will bring book 3 to everyone.

Application forms, good for a single person or an entire family, will be dropped in every mail box by postmen between May 20 and June 5. The head of the house will fill out the cards, which are pre-addressed to OPA mail centers, for the entire family and post them between June 1 and June 10.

War ration book No. 3 itself combines "unit" stamps, already familiar under the sugar, coffee, and shoe programs, and "point" stamps such as housewives have been using to buy canned goods, meats, and fats for several weeks past.

Twenty Girls Here In 4-H Canning Club

Twenty Coquille girls have organized into a 4-H Canning Club for the purpose of helping out in the war effort by learning to properly preserve food and to assist their mothers in putting up food for next winter's meals.

The first meeting was held at the home of the leader, Mrs. Walter Laird, 626 S. Henry Street. The following officers were elected: president, Roberta Medley; vice president, Betty Lou Foote; secretary, Alyce Joyce Benham.

It is expected that all members will complete their work since it will be considered unpatriotic to drop out except for illness or moving away.

Coos-Curry Pioneer Association Plans To Incorporate

At an executive meeting of the Coos and Curry County Pioneer Association, held Saturday, April 24, at the Public Library in Coquille, action was planned to perpetuate the organization and its work.

The consensus of opinion prevailed that the association must become self-supporting if the ambitions of the members materialize and, in order to transact legal business, the organization must become an incorporated body.

Accordingly a motion was made, seconded and carried that the Association incorporate. Instructions were given by the president, Mrs. Mary Randleman, to have this attended to before another meeting.

The questions of the collection of historical relics toward a permanent museum, and also the publication of historical stories and experiences were discussed.

Mr. and Mrs. James Watson have loaned to the Pioneer Association a display of photographs, guns, silver pieces, old china, and things. These together with a number of other relics loaned to the group were placed in a show case provided through the courtesy of J. E. Norton.

Notices of a called meeting will be made through the press some time in June, when these transactions will be made ready for presentation at the regular annual meeting of the Coos and Curry Pioneer Association held on the last Sunday in July.

Those present at the meeting Saturday included: Mrs. Mary Randleman, president; Bullards; J. Albert Matson, vice-president; Marshfield; Mrs. Inez Chase, secretary; Coquille; Mrs. C. H. Warrel, North Bend; Gus Bender, Myrtle Point; Mr. and Mrs. Walter Laird, Mr. and Mrs. J. P. Beyers, James Watson, W. H. Schroeder, Charles Stauff, John Quick, Mrs. Flora Dunne, all of Coquille.
