The Oscar Noslers Return For Duration

Oscar Nosler, brother of S. M. Nosler, Mrs. Birdie Skeels and Mrs. Mary Gage of this city, accompanied by Mrs. Nosler, returned last Friday from San Diego, Calif., after a 27-year residence down there and will again make their home in Coquille for a year, probably for the duration. Mr. Nosler retired from active work several years ago and while they formerly enjoyed living in the southern California city, it is not the same place now, with all the war activity there is there and they decided to leave for a time.

Mr. Nosler says the building of new homes there have been mammoth projects. Some of them are for 500 homes for war industry workers and one project called for the construction of 3,000 new homes. They cover the hills and mesas where formerly only sage brush and desert vegetation grew.

Assisting throughout the afternoon were Mrs. Jas. Brady, Mrs. Don Sturdevant, Misses Laura Emily Ruble, Phyllis Brady and Marianne Ruckleff. Mr. Jamieson is the son of Mr. and Mrs. George Jamieson, of Condon, where the young couple is to live.

Auto Liability Insurance Not Compulsory

Under new law to become effective June 10, 1943, The safety responsibility act requires that any driver involved in an accident that results in injury, death or property damage must within 10 days present proof of \$11,000 worth of financial responsibility or have his driver's license and car registration cancelled. At any time afterwards his license and registration would be revoked immediately if his insurance policy expired or his bond was cancelled.

The act applies whether or not the driver was at fault, exception being allowed only in the case of a car legally parked at the time of the accident. After two years, if the driver paid no damages and no suit was brought against him, he would be permitted to drive and own a car again.

Now the average citizen would rather play safe and place insurance on his or her car than to take a chance with FATE. With a law like the above in force there is not much choice. BUT IT IS NOT COMPULSORY. The cost for \$15,000 insurance is not high. From \$14.00 to \$16.25 per year—depending on the kind of Gas Ration Book you have.
