Townsend Club

A good crowd attended club No. 1 Tuesday evening. At 8 o'clock the regular business meeting was opened with prayer and flag salute, with the president in the chair. Keep in mind the caravan of clubs to meet here in W. O. W. hall at 11 o'clock Sunday, May 23.

Sick members are reported to be improving.

A short program was enjoyed. Mrs. Collier and Mrs. Hathaway each won a prize as they took part in a contest. Readings were given by W. W. Tighman and Mrs. Emma Westbrook, and the door prize was won by Mr. Strang.

Mr. and Mrs. Deyoe are the refreshment committee for next week. They will serve assorted salads and crackers. Bring your "White Elephants" for the exchange table. Press Cor.

Sugar Notice To Home Canners

The OPA has released sugar for canning and preserving for this year. Sugar for these purposes is limited to a maximum of 25 pounds per person for the period from March 1, 1943, to March 1, 1944. Therefore, if any applicant has obtained any sugar for either of these purposes since March 1, 1943, the amount of such sugar shall be deducted from the 25 pound permissible maximum allowance.

Application blanks may be obtained, in the near future, at any local grocery store. All applications must be in writing but may be made either in person or by mail. In either case, the War Ration Book One issued to each person on which behalf the application is made, must accompany the application. A consumer may make application individually if not a member of a family unit, but one adult member must make application on behalf of all members of a family unit. The application must state:

(1) The number of quarts (or pounds) of processed foods the applicant and the persons on which behalf the application is made intend to produce from fresh fruit.

(2) The amount of sugar these persons intend to use in the making of jams, jellies, preserves, or fruit butters.

This week and next, mark the graduation of several hundred high schools and grade young people in Coos county. All of these are graduated with more or less ceremony which causes the class members to realize the importance of the occasion. It has occurred to us that if a program were in operation whereby some ceremony would attend the voting eligibility of these young people that a great deal of good might be derived therefrom. We, as American citizens, take too much for granted and fail to value either our privilege or responsibility as voters.

The annual school meeting which will be held in each district in Coos county on June 21, will reveal an interest or lack of interest, varying in

each district.

Laurel Lake

The Laurel Lake school closed Friday with a community potluck dinner, followed by a program given by the school, graduation of three students and a 4-H program following.

The bazaar which was also a feature of the day was unique in that the children had used recesses and noons of rainy days, home time and vacant moments throughout the whole year to prepare articles for the sale.

Proceeds will go toward sending the eight 4-H members to the 4-H summer school at Corvallis. The amount realized was \$83.25, about half of which had been earned by

the students doing the janitor work free and allowing the allowance for same to go into the club fund.

Mrs. Wanda Volck, the teacher, has been hired as principal of Langlois School for next year. The Laurel Lake pupils will be transported to Langlois next year.

Calling cards, 50 for \$1.00.
