Royal Neighbors Convention Held Here Yesterday

(Continued from Page One)
session was the introduction of the lodge's candidate for Victory Girl at the July Fourth celebration, Miss Janet Lewis.

Many local members, who are employed during the day, were in attendance at the banquet served by the ladies of the Rebekah lodge in the dining room, where the table decorations were outstanding with red, white and blue streamers, candles and flags. At the public evening session the beauty of the decorations was further beautified by the formal which all the ladies who took part in the work wore.

Very interesting talks were made by Mrs. Logan and Mrs. Montgomery and a musical program added to the pleasure of the evening. This included several violin selections by the quartet instructed by Miss Due; songs by Kareen Barklow, Martel Roper and Peggy Kinchloe; a solo by Martina Kinchloe, and accordion selections by Miss Inez Roper and Mrs. Pearl Ellingsen.

This well conducted and interesting convention came to an end late in the evening with a lunch served by the ladies of the Coquille Royal Neighbors lodge.

Quotas For Red Cross Production

The Coos County Chapter of the American Red Cross, which means all of us in Coos county, has accepted a quota to fill in the coming weeks.

Before starting on this new quota it is essential that we complete the garments now on hand, which consist of 15 child's rompers. Also we need some one to make buttonholes at this time.

Those who now have garments are asked to complete them and turn them in to Mrs. Gano as they are to be shipped very soon. Anyone desiring to make buttonholes will also contact Mrs. Gano.

Our new quota, which we will receive as soon as the present one is completed, consists of the following: 100 bed pan covers, 300 bedside bags, 400 comfort kits, 400 "housewives," 100 pairs bedside slippers, 100 pairs knitted bed socks.

Coos Chapter has not only agreed to make these articles but is paying for the material. Due to the increase in the number of hospitals in the camps of all branches of the armed services, hospital supplies will be in ever growing demand.

It is hoped that Coquille will do its part in completing each quota as received. Due to the shortage of needles and safety pins and with the desire to make the funds reach the other needed supplies, the plan is to ask everyone to donate large-eyed needles and safety pins. If every one would turn in a few we will have no trouble in supplying these articles for the "housewives." Other contents will be purchased wholesale from the Chapter funds.

Boxes will be placed in the downtown shops where you may drop your pins and needles. The number needed to fill the 400 "housewives" is 1600 safety pins and 800 large-eyed needles. Let us see how quickly we can collect our share.

"I am sure we will find our new quota much more interesting to work on than the rompers and that the realization that we are doing something for the comfort of our boys will give us a feeling of wholehearted enthusiasm," says Mrs. Gano.

"Let us keep up our part of the production work of the Coos County Chapter of the American Red Cross."

You don't have to turn in old records to buy new ones at Norton's, but we ask you to help us buy new stock by turning in your old scrap records! We pay 3c each for all (except laminated and Edison). Remember, Norton's for records!

Oregon Jaycee Seeks Local Entree

The Oregon State Junior Chamber of Commerce in an effort to expand their state-wide organization, is appealing to young men between the ages of 21 to 40 years interested in civic activity to give thought to the formation of such a group here.

The Junior Chamber of Commerce is strictly a young men's civic organization, primarily devoted to civic betterment for the community, and leadership training for its members. Started 24 years ago, the U. S. Jr. Chamber of Commerce now embraces some 850 local groups throughout the country. And in spite of enlistment and draft, is still a growing organization. Roughly, one-third or 60,000 young men out of their entire membership of 180,000 are now in the armed forces, with many more subject to call at any time.

The Oregon State Junior Chamber has appealed to local residents interested in this type of organization to contact either Jack Shields, 617 S. E. Main, Portland, or Paul A. Lee, State President, 1855 Earle St., Klamath Falls, Oregon. School superintendents have been contacted and ministers are requested to co-operate.

SAFEWAY Homemakers' Guide

Around the table with a pound of meat

It's quite a trick to make a pound of meat go all around the table and satisfy all the appetites. The secret is to use the meat in tiny pieces, so that the flavor is distributed. Nutritionally, it's sound practice and one we can well afford to adopt these days.

CHOP SUEY—Cut meat into tiny pieces, brown in hot fat, add sliced celery, onions, shredded cabbage (in lieu of bean sprouts), and seasonings to taste. Add a little water, cover pan and simmer for 15 minutes or until vegetables are tender. Thicken the broth slightly with flour or cornstarch. Serve over steaming, fluffy rice.

RUSSIAN MEAT BALLS—Mix together a pound of ground meat, 4 or 5 boiled, chopped potatoes, 1 grated onion, and salt and pepper. Form into small balls and brown in hot fat. Add a little milk or water, cover pan and simmer gently for 15 minutes. Thicken pan liquor with flour and serve over meat balls.

NOODLE DELIGHT—Saute small pieces of meat and mix with cooked noodles cooked green beans or okra, and wedges of fresh tomato. Pour in greased casserole and bake in moderate oven (350° F.) for 15 minutes or until heated through and flavors are blended.

MEAT PIE—Dice a pound of meat and prepare as for stew, using several vegetables cut in uniform pieces. Thicken gravy slightly and pour stew into greased casserole. Cover top with pastry or with mashed potato or corn-meal crust. Bake in moderately hot oven (400° F.) for 20 minutes or until well browned.

Buy One More Vegetable Fresh Every Day
And Help Make Your Canned Goods Ration Go Farther

Here's one wartime request everybody can cheer over because this means it's patriotic to buy vegetables fresh... with crispness, sweet flavor and tenderness all in them. Here, the vegetable which is fresh not only tastes better, but is tops in vitamin values, too. That's why Safeway rushes produce straight in from the farm... cutting out needless delays and in-between costs, thus giving you the fresh produce at the lowest price because their system of pricing produce by the pound saves you money in wasted, wilted leftovers. Remember at Safeway you pay only for what you can use today... while it's at its best.
