### Mrs. Stauff Reads Interesting Paper

Mrs. Chas. Shtauff read a very well prepared and interesting paper on "Transportation In The United States" at the Rotary Club luncheon at the hotel on Wednesday.

The comparison between 1942 and the peak periods of previous years was quite startling both in the transportation of freight and passengers and the prospects are that 1943 will far surpass the previous year, although the railroad and bus lines will have to do with the same equipment, as very few if any new cars or buses can be obtained.

Orville Wood reported briefly on the progress of the committee for the Fourth of July Celebration and President Schroeder told of his contact with the director of the blood donor program and stated that he was told that for the present they will be unable to cover Coos county as the truck has only been operating within a radius of fifty miles of Portland but that they hoped later to spread out further.

Rotarian Sam Osborne, of Portland, was present as a guest as also was Louis Holimon, of Coquille.

### A Post-War Auto Proposal

Attention is called to the adv. of the Southwestern Motors on another page of this issue, in which announcement is made of the rationing program for new Buicks and Chevrolts, after the war.

As the trade-in of present cars listed and they will be able to secure new cars after the war in the order in which they are listed, and right now the price for used cars is higher than it ever was before.

There are other profitable features also mentioned in the adv. which make it a very interesting proposition.

**WELL PAY YOU BACK TOJO**  
if it takes our last dime!

**BUY MORE WAR BONDS**

There will be American justice for the savages of Tokio but our trial and punishment of Tojo and his criminals will cost blood, sweat, toil and tears and money. You can supply the money by upping your war bond buying through the payroll savings plan. Figure it out yourself and see where the money is coming from. How much does it cost you and your family to live each month? How much money is coming in from all members of your family? Put the extra money into war bonds, every penny of it. Let 10 per cent be only the starting point for figuring your allotment.
