

## Items About Local Boys In Service

### Bill Pook Made A 2nd Lieutenant

Lieut. Wm. R. Pook, of the Army's Signal Corps, son of Mr. and Mrs. F. A. Pook of Coquille, has recently finished his three months course of schooling in Australia and received his commission. Bill enlisted three years ago, was stationed near Spokane for nearly two years, went through seven months of the New Guinea campaign and was one of 400 who served in New Guinea who have just been commissioned as officers.

Bill says he has just begun to receive the Sentinel regularly, within a reasonable time after publication and told his dad not so report that after he had read it from first page to last, including the advs., that he uses it for part of his bedding at night! This is the winter season in Australia and the nights are cold.

### Tom Ferry, A Petty Navy Radioman Officer Third Class

Tom Price Ferry, husband of Mrs. Tom Ferry, 531 North Beach street, Coquille, Ore., has graduated from the Radioman School at the U. S. Naval Training Station at Farragut, Idaho, and has received the petty officer rating of Radioman, third class. He is now equipped to perform the duties required of his rate with one of the units of the United States Fleet. The Radioman School is one of the many Navy Service Schools in operation at this Station, and only the top-ranking students receive petty officer rating upon completion of the sixteen-week course.

### Thos. J. Newton To Leave For Army Air Corps Training

Thos. J. Newton, son of Mr. and Mrs. R. T. Newton of the Tenth street grocery store, will leave Saturday for Shepherd Field near Wichita Falls, Texas, where he will report at the training center for pre-aviation cadet basic training. From there he will be sent to some college for another five months of drill and training before being assigned to active duty. Tom enlisted in the Army Air Corps at the high school some months ago and has just been called.

### Coquille Man Given A Responsible Office In Army

Lieut. L. E. Haynes, son of Mrs. A. N. Foley of this city, has just been transferred from Flagstaff, Ariz., to Washington, D. C., where he is to be in charge of procurement, storage and issuance of all petroleum stocks for the army, except for the Air Corps. Mrs. Haynes, daughter of S. D. Clark of the Lee district, and their baby are still at Santa Clara near Eugene, where they bought a place, waiting there until he can secure a place for them to live in Washington.

Roger Stewart, who has been in the Army since last October 23, and for the past 15 weeks on maneuvers with the 9th Infantry Division in Arizona, came in last evening, accompanied by Mrs. Stewart, and intends remaining here. He received an honorable discharge, due to physical disability, a few days ago. He looks well and has lost weight but his old leg trouble incapacitated him for service.

### Three McCarthy Boys Now In The Service

Mr. and Mrs. M. McCarthy were made happy Monday when their son, Lieut. Edward McCarthy called them long distance from Camp Sibert, near Gadsden, Alabama.

Another son, Lieut. M. J. McCarthy has just been transferred from Camp Swift in Texas, to Sallisaw, Okla., where he is assisting in the work the Army engineers are doing in rehabilitating the flood stricken section of that state.

Their third son, Robert, a C. H. S. graduate this spring, was one of the inductees who left yesterday to join the Army Air Corps.

### Ross Mintonye Graduated As An Army Armorer

Sergeant Ross A. Mintonye, son of Mrs. Fannie R. Mintonye of Coquille, and who formerly was employed by his brother, Amzy, was graduated on Tuesday from the Army Armament school at Lowry Field in Colorado. He enlisted in February 1941 and has been stationed at camps in California and Washington prior to being sent to the Colorado school.

### What You Buy With WAR BONDS

Among the casualties returning to the United States from the Solomons are men who have lost their hearing, not from injury, not from shock, but from attack by insects upon men who have been without mosquito bar protection.

We'll never know how many lives this mosquito bar has saved and you probably never will know just how much good your purchases of War Bonds have done, but you should know that regular and increasing purchases are necessary.

### River Sports Were A Real Treat

(Continued from Page One)

crowd when one of the contestants, Spike Leslie, slipped from the boom as he raced along the narrow path of log, trying to balance on its rounded, slippery surface. Nor was he alone in his diving.

Reuben Humbert, of Marshfield, won first prize in the race against time, and Denton Ellington was second in a competition of eight.

The class A two-mile race for motorboats was won by Paul McNair of Coquille, with C. E. Hartley of Myrtle Point coming in second.

The class C race of two miles down and two back was won by Eddie Freeman of Myrtle Point, closely followed by Ron Endicott, of the same city.

In the six-mile free-for-all, Verrill McCurdy, Coquille, with an inboard motor ran ahead of Ron Endicott with his boat powered by a 16 h. p. outboard motor.

The high climbing contest, in which the contestants, using strap around the 115-foot pole and with spurs on their boots, climbed to the top, plucked off a small flag and then descended to the ground, was won by Reuben Humbert, of Eastside, in 46 seconds.

Bob McCarthy, of Kline's camp, was second in 54 seconds. Could he have gone up as rapidly as he descended he would have won hands down, for he simply slid down as though the pole was greased.

Other high climbers were Hubert Harry from Laird, Benham & Laird's Sitkum camp, and Deb Nelson, from

Fred McClellan's camp above Myrtle Point.

Reuben Humbert also won the birling, or log-rolling contest with Roy Rhule, Spike Leslie and Ott Ferris, all Smith Wood-Products employees, the other contestants.

The bucking contest in which they sawed through a 30-inch log resulted in a tie, in two minutes, 45 seconds, between F. R. Hunt of the C. D. Ray camp and Chas. Farmer from the Albertson Bros. camp. Filer of the Atkins saws which were used in the event was John Stone, also from Cal Ray's camp.

The entire afternoon program went off smoothly and according to schedule and the committee set a record for interest and entertainment for future celebration committees to shoot at.

### M & W Shop To Be Moved

Amzy Mintonye and Ernie Wardrip, who have operated the M & W Auto Service repair shop in the Gardner building on First street, between Elliott and Henry, for the past three years, last month purchased the old Lyman Carrier warehouse on the edge of the gulch on Hall street and expect to remove their shop to the new location in three or four weeks, or as soon as they can find some one to do the necessary grading and remodeling to make the place ready for them.

They purchased the warehouse from Herman Floten.

on Smoky; Charlotte Smith, Fairview, on Daisy Mae; Polly Standley, Smith Woods at Sutherlin, on Tarzan.

Saddle horse and man rider: Ellis Dement, Myrtle Point, on Jack, 1st; Lee Peterson, Coquille, on Baldy, 2nd; William Watson, Myrtle Point, on Bill; Milton Rolf, Fat Elk, on Nipper; H. M. Hall, Fairview, on Spot; Frank Culver, Bear Creek, on Pet; Luckey Bonney, Coquille, on Beauty; John McNair, Fat Elk, on Blacky; Edw. Lee Peterson, Jr., Coquille, on Silver; Roy Jenkins, Parkersburg on Tony; Roy Folsom Coquille, on Johnny; Lew Smith, Coquille, on Shorty; O. G. Anderson, North Bank, on Ranger; Everett Cameron, Bear Creek, on Cheyenne; Darrell Anderson, Fat Elk, on Dan; Tom Nelson, Fat Elk, on Pepper; Al Hunt, Marshfield, on King; Ivy Frye, Fairview, on Papoose; Herb Morrell, Langlois, on Goldy; William Johnson, Fat Elk, on Frosty.

Walk, trot, run race: Roy Jenkins, Bear Creek, 1st; Frank Culver, Bear Creek, 2nd.

Lee Peterson, of Coquille, won out in the stake race, his time in the final heat which had been preceded by five heats of four horses and riders to the heat, was 25.9 seconds. By heats the winners were:

First Heat—William Watson, Myrtle Point, 27 seconds, 1st; Tom Nelson, Fat Elk, 2nd; Velma Beebe, Fairview; John McNair, Fat Elk; Herb Morrell, Langlois; Milton Rolf, Fat Elk.

Second Heat—Lee Peterson, Coquille, 26-seconds, 1st; Everett Cam-

eron, Bear Creek, 2nd; Joy Jenkins, Creek; Phil Morrison, Fairview; Ellis Dement, Myrtle Point.

Third Heat—Charlotte Smith, Fairview, 29 seconds, 1st; George Nelson, Fat Elk, 2nd.

Fourth Heat—Fay Holverstott, Fairview, 27.5 seconds, 1st; Bob Smith, Coaledo, 2nd.

Fifth Heat—Velma Beebe, Fairview, 29.75 seconds, 1st; Ole Anderson, Coquille, 2nd.

Final Heat—Leland Peterson, Coquille, 25.9 seconds, 1st; Velma Beebe, Fairview.

In the musical chair race, using nail kegs, which Mr. Smith had trouble in securing the eight, the riders had to stop their mounts and sit down on a keg, there being always one more rider than there were kegs in the elimination. With only one keg left Velma Beebe of Fairview, by the smallest fraction of a second, got herself seated before Miss Charlotte Smith, also of Fairview, did.

In the saddle horse versus man race the horse can outturn the man naturally over even the short course, but the man can turn around the stakes at the end of the course so much quicker than the horse can that it makes a fairly even contest. Milton Rolf's horse came in first in this event with Richard McCool, runner, a close second.

Others participating were the horses of Everett Cameron, of Bear Creek; Wayne Watson, Coquille; Wm. Watson, Myrtle Point; and the men runners were Ivan Shuk and Harold Peak, both of Coquille.

## Homemakers' Guide

**Summertime baking— an economy measure**

Kitchen pretty warm these days? Let the oven do most of your cooking work this summer! It's easier—and by the way, summertime baking is really an economy measure. Just think of the ways meat can be stretched with the aid of the oven... shortcakes, meat pies, and oh, so many other ways! As for shortening, just use those drippings from bacon, other meat and chicken.

**BISCUITS**—Let those meat drippings get firm in the refrigerator, then use them for making biscuits for meat shortcakes. Creamed hamburger is a grand topping. Or cut link sausages into small slices, fry them and make a gravy from the drippings and serve them over the biscuits.

**MEAT PIES**—Use the same kind of biscuit dough made with drippings for a covering for meat pie. Use leftover meat, or small pieces of precooked meat, vegetables of your choice and enough thickened juice from the meat or vegetables to give moisture to the pie filling. Cover with biscuit dough and bake in a hot oven (450° F.) until the crust is rich, golden brown. Serve.

**ECONOMY CAKE**—Sift 2 cups all-purpose flour with 2 1/2 tps. baking powder, 1 tsp. cinnamon and 1/4 tsp. cloves. Cream together 3 tbsps. shortening and 3 tbsps. meat drippings and add 1 cup of sugar gradually, creaming until smooth. Add 1 egg and beat well, then add flour mixture alternately with 3/4 cup milk. Then add 1 tsp. vanilla or other flavoring. Bake in greased layer cake pans or muffin tins in moderate oven (375° F.) for about 25 minutes or until done.

**VICTORY CANNING AND DRYING** are current topics of conversation. Julia Lee Wright's article in this week's Family Circle tells you how to go about it. Helpful hints on sun and oven drying and jelly and jam making will make summer canning a pleasure.
