

Items About Local Boys In Service

Seven C.H.S. Grads Have Reunion

Five Coquille high school graduates of the class of 1941 and one of the 1940 class held a reunion here last week-end, all of them being in Uncle Sam's uniforms and two at least having seen foreign service.

One of the five was Harvey Cole, who enlisted in the army soon after graduation. He saw service in Africa this year, being with the U. S. 9th Division Anti-Aircraft unit and later with the British Commandos in the Tunisian campaign. He was badly burned when a tank of high octane gas blew up some months ago and he will carry the scars on his arms and hands as long as he lives. He was overseas 11 months and arrived home last Friday on a 30-day furlough. He is at present unassigned.

Another of the '41 class is Robert Churchill, who also enlisted, in the Navy soon after graduation. He has seen a lot of action in the south Pacific, as with Pearl Harbor for a time and when his leave is up, is to report later this month to the Navy Flight School at Dallas, Texas. He also arrived home last Friday.

Another member of that class was Corporal Ron Dungey, who had just finished his course in drafting at the University of Kentucky and left Monday for Camp Pittsburg, Calif., after a week's visit with his parents, Mr. and Mrs. F. L. Dungey, and friends. He is now ready for duty overseas.

A fourth member of the '41 class was Guy Stem, who left Monday to rejoin his vessel in San Francisco Bay.

The fifth classmate was Dale Stevens, who has been home longer than the others and is now awaiting his call to duty in the Army Air Corps.

The 1940 C. H. S. graduate was Clarence Cunningham, who is in the Army Air Corps.

Boyd Hendricks, of the 1942 class, was here last week from Farragut, Idaho, where he is in Navy training.

Major Laird, In Japan, Heard From

Mrs. Gene Laird in Portland has received a postal card, through the regular Red Cross and War Department channels, from her husband, Major Laird, who is a prisoner somewhere in Japan. At least the card is supposed to be from him, but his signature as well as the rest of it is typewritten. On the card it is stated that he is well, is working for wages and mentions five questions that he can ask on matters about which his folks in the United States can write to him.

Harold Norris, Graduates As An Aviation Cadet

Mrs. T. H. Benham of Fairview, received a formal announcement from the commandant of the Santa Ana Air Base of Santa Ana, Calif., that her oldest son, Arnold Harold Norris, had been one of the few cadets selected by the classification board to be trained for pilot training and he will soon be transferred from Santa Ana to a west coast training center elementary flying school. Upon completion of flying training, Norris will receive his wings and the rating of a pilot.

Powers Young Man Named A Naval Aviation Cadet

Stephen E. Gamwell, 22, son of James W. Gamwell of Powers, was recently appointed a Naval Aviation Cadet and was transferred to the Naval Air Training Center, Pensacola, Fla., for intermediate flight training. Upon completion of the intensive course at the "Annapolis of the Air," Cadet Gamwell will receive his Navy "Wings of Gold" with the designation of Naval Aviator, and will be commissioned an Ensign in the Naval Reserve or a Second Lieutenant in the Marine Corps Reserve.

Jack Carroll In Naval Hospital At Farragut

Jack Carroll, who was employed in the Earl Littrell store here last year and who has been at the Naval

Three Cornelius Boys Now In Service

Verne Cornelius, youngest son of Mr. and Mrs. V. L. Cornelius, who left Tuesday morning for Portland where he will enter the Navy, joins his two older brothers serving in the armed forces of the United States.

T/5 Robert H. Cornelius of the Services of Supply, Ordnance Section, Base Headquarters, in Northwest Africa, is completing his second year of service and Pvt. Richard G. Cornelius, who last week visited his home here while on furlough, has finished training at Fort Benning, Ga., and is now at Camp Mackall, N. C., as a full fledged Paratrooper.

Also entering the Navy this week is Neil J. Carlson, of Marshfield, son-in-law of Mr. and Mrs. Cornelius. Mrs. Carlson and baby daughter, Sherrill, will arrive this week to make their home with her parents for the duration.

Donald Boone In Naval Training At Iowa State

Learning to operate the motors that drive the huge warships in Uncle Sam's Navy is Donald W. Boone, 18, son of Mr. and Mrs. Ralph E. Boone, Fairview Route, Coquille, Oregon, who was recently enrolled in the Naval Training School for Dieselmen, located on the campus of Iowa State College, Ames, Ia.

Upon completion of this course, he will be eligible for advancement to a petty officer rating, and will be assigned to active duty at sea, or at some naval shore station.

Jim Richmond In No. Carolina-- "Puts" Arens In Sicily

Dr. and Mrs. Jas. Richmond have just received a letter from "Puts" Arens, husband of their daughter, Barbara, who is still in Reedsport, that he was expecting to get over to Sicily soon after he wrote. He is in the Sea Bees and had been in North Africa since February.

Their son, Jim, has recently been transferred from Fresno, Calif., to the North Carolina State College at Raleigh, where he is taking further training and instruction in the Army Air Corps courses.

Former C. H. S. Young Man Graduates As A Flyer

Mrs. Marjorie Child writes from Grants Pass that she was leaving Monday afternoon for the Naval airport in Oklahoma to spend a week with her son, Ray Rowland, who had just passed his exams and stood third from the top in his class. Ray was a C. H. S. graduate with the class of 1942. He expects to be sent on active duty soon.

Old papers be a bunch

Coquille Boy Gets Dept. Commendation

Technical Sergeant Laurie Robison, son of Mr. and Mrs. Rock Robison of this city, was one of the 223 U. S. Army air forces troop carrier command who have been commended by the war department for their courage and devotion to duty during the July 9 transportation of parachute troops to Sicily without the loss of a single transport plane. Their commanding officer, Lieut.-Col. John Cerney, of Spokane, was awarded the distinguished flying cross.

Laurie is an aerial engineer in the Army air force.

Fire At Plant Friday Noon Did No Damage

The fire at the plant at 12:30 last Friday noon did no damage except to dry out the electrical equipment somewhat. It started under the barker platform where the logs for the plywood plant are stripped of their bark at the river's edge and in some manner the pitch caught fire.

The sprinkling system had extinguished the blaze, which was burning fiercely, before the arrival of the fire department.

Members attending were Donna Dean Bosserman, Maxine Johnson, Jean Watkins, Margaret Belloni, Aloha Allen, Georgianna Perrott, Eunice Howe, Sammy Swain and Jean Bryan.

Calling cards, 50 for \$1.00.

B.P.W. District Conference At Bay

The first district conference of the Business and Professional Women's Club for the year was held last Saturday and Sunday in Marshfield at the Chandler Hotel. A meeting Saturday evening and a breakfast at 9 a. m. Sunday was attended by the following: Edith Walton, Florence Hallock, Florence Barton, Viola Newton, Clara Bosserman, Ida Oerding, Bess Maufry, Hattie Mae Hollimon, Clara Stauff, Lois Penn, Martha Mulkey, Lela Elrod, Jennie Price, Bertha Smith, Dorothy Bishop, Inez Chase, Leona Bryant, Jessie Kay and Inez Rover.

An effort was made to key the whole meeting to the conference theme, "Winning the War and Winning the Peace." Presiding officer was Isabelle Brixner of Klamath Falls. Agnes Matson was local chairman. During the executive board meeting, Leona Bryant was elected state chairman of Public Affairs and Florence Barton was elected chairman for the coast district. At both meetings boys from the Coast Guard entertained and were enthusiastically received. The next conference will be held at Heppner in October.

B. P. W. Loses New Member By Death

The members of the Business and Professional Women's Club, individually and as a group are mourning the loss of a new member, voted into the club at their last meeting. Pearl Smith who tragically lost her life through accident Wednesday attended the annual barbecue and supper at

Mother Nature In A Generous Mood This Year

Nature is showing considerable freakishness in Coos county this year. On Monday morning Mrs. Guy Torrey brought in to the Sentinel another of those potato plants on which the spuds were growing up on the vines instead of beneath the ground.

Another unusual exhibit she placed in our display window was a black-cap berry vine, which they had transplanted from a field, and which is already this year bearing its second crop of fruit. The berries on still another vine, a raspberry, are unusually large too for that fruit.

Magazines At A Discount To Sentinel Subscribers

The Sentinel has not had a combination offer—this paper and magazines—to present to its readers for the past month or more, but it stands ready at all times to send in subscriptions for any magazine published and the charge to Sentinel subscribers is always at the discount rate which we have to merit. This applies to practically every magazine published in the U. S.

Venture Club

Members of the Venture Club with their president, Donna Dean Bosserman, met at the hotel for dinner and a social meeting Tuesday evening.

Howdy Folks:

It was very gratifying to learn just how interested the motoring public is in keeping their cars in a safer and more economical operating condition.

Last week we asked those interested to drop us a card regarding a periodic inspection service we were contemplating.

Not a single card was received but one party agreed verbally it would be a worthy service.

"At least the majority was for it."

Just heard the Radio News by Macmillian "Ring Free" Oil Co. The most important item seemed to be how fine an oil Ring Free really is.

We have stocked, and sold! Ring Free motor oil for 2 1/2 years and listened to testimonies, "plenty," by the evergrowing number of Ring Free users.

Now we don't recommend any particular oil and unless you're willing to tolerate a smoother motor, never use Ring Free.

AMZY ERNIE M & W Auto Service

P. S. After losing some sleep to help fill Editor Young's columns, I glanced through Monday's Times and there saw in "bold face type" Nine Helpful Suggestions listed to keep cars in good condition. Did you read it?

I'm serious, Folks, when I say that the fellow that discovers the right bait, or designs a drag net that will get the motorist in regularly for preventive service, will have contributed more to the safety and economy of motoring than any engineering genius.

If you bountiful, tough guys on automobiles gave them proper care you'd have whiskers to your belt buckles before you could wear them out.

Schedule for Fall Canning

There's still time to fill those cupboards with home canned foods for enjoyment next winter. Scheduled for fall canning are all those tomato products, pickles, relishes, and sauces which give winter menus a lift. The equipment you need for putting up these products is no more than a preserving kettle or any other large kettle, and a few gadgets that you use every day. So get ready for fall canning.

- #### TOMATO HOT SAUCE
- 12 lbs. ripe tomatoes
 - 1 lb. onions
 - 1 tsp. whole allspice
 - 1 tsp. celery seed
 - 2 tsps. whole white pepper
- Wash, core, and quarter tomatoes. Peel onions and cut in wedges. Combine tomatoes, onions and spices tied in a bag in large preserving kettle. Cook until tomatoes are soft and slightly thickened. Remove spice bag. Cool and sieve tomato mixture into large sauce pan. Cook until thickened, about 20 minutes, stirring frequently. Pour into hot sterilized fruit jars, seal at once. Makes 4 qts.
- #### HOT DOG RELISH
- 3 1/2 lbs. sweet red peppers
 - 3 lbs. green peppers
 - 3 lbs. onions
 - 4 cups vinegar
 - 1/2 cup sugar
 - 1 tsp. mustard seed
 - 1 tsp. dry mustard
 - 1 tsp. celery seed
 - 2 tsps. salt
- Wash peppers; remove seed cores. Peel onions. Put vegetables through food chopper, using coarse knife. Place in large preserving kettle; cover with boiling water and let stand 5 minutes; drain thoroughly. Add vinegar, sugar, spices, and salt; cook until vegetables are tender, about 10 minutes, stirring occasionally. Pour into hot sterilized fruit jars, filling to top, seal at once. Makes 6 pts.

Safeway Homemakers' Bureau
JULIA LEE WRIGHT, Director

Every Jar You Put Up is a Jar to the Axis

- This summer, Home Canning counts more than ever. So don't waste an ounce. Be sure the food you can is fresh. Produce sold by Safeway is rushed direct from farms to you and is guaranteed to be farm fresh. Take advantage of the low prices now when crops are plentiful. Start canning today.
