

O. E. S. Natal Day Observed At Myrtle Point Monday Eve

Two very special events have occurred lately of interest to members of the O. E. S. One was the lovely reception given to Dr. June Martin, Worthy Grand Matron of Oregon, and to Mrs. Virginia Hillstrom, Grand Ruth, by Doric Chapter, Marshfield, Saturday evening.

The officers of Beulah Chapter, No. 6, put on a lovely degree presenting Dr. June with a beautiful myrtlewood altar and miniature replicas of all of the emblems of the order in myrtlewood.

Doric Chapter, by request, presented the graceful and attractive degree which they gave at the Grand Chapter session in June. Mrs. Edna Taylor, W. M., of Beulah Chapter, was honored by being appointed on the International Temple Fund committee.

Those going from here were: Messrs. and Mesdames Ralph Taylor, Faye Holmstrom, Roy Boober, John Martin, Harold McCue, Rudy Johnson and Mesdames Edith McNelly, Leona Bryant, Susie Fulson, Maxine Jeub, Emma Pierce, Mildred McCune, Hazel Hanna, Gertrude Ulett, Wanda Cochran, Myrtle Clausen, Wilda Schroeder, Ruth Sherwood and Gertrude Lorenz.

The other occasion of special interest to all the Coos county Chapters was the annual Natal Day observance held in Myrtle Point Monday. It was the 50th anniversary of Elgin Chapter, as well as the birthday of Dr. Robert Morris, founder of the O. E. S.

The high school auditorium was beautifully decorated, carrying out the golden anniversary motif. Lovely potted marigolds, covered with yellow crepe paper, graced the platform and steps, while large baskets of flowers in golden shades made a fitting background for the presiding officers and visiting grand officers, of which there were many. The balcony was also decorated with baskets of the flowers.

The sessions were well attended by Coos chapters, as well as by visitors from various parts of the state. Mrs. Alberta McMurphy, of Eugene, past worthy grand matron and recently appointed grand lecturer, has been an attendant at these observances for 28 consecutive years, her first Natal Day session being held in Myrtle Point.

During the evening session, the officers, in lovely golden silk jersey dresses, presented a beautiful degree. Dr. June Martin, worthy grand matron, was given a lovely degree by the Star points; Mrs. Cecile Dement, W. M. of Elgin chapter, singing "I love you truly" in a most charming manner.

Following a busy and delightful day, birthday cakes and coffee were served in the Masonic Hall. Attending from Coquille, were: Mesdames Leona Bryant, Edith McNelly, Gertrude Lorenz, Emma Pierce, Lola Milne, Madge Houston, Minnie Laws, Zella Hall, Catherine Ruble, Emily Hersey, Maxine Jeub, Flora Comp-ton, Mabel Clinton, Wanda Cochran, Wilda Schroeder, Viola Norton, Mary

Harriman, Florabel Boober, Huldah Ellington, Lella Zentner, Idyle Godard, Ethel Littler, Mildred McCune, Gertrude Ulett, Lillian Zeigler, Helen Lundquist, Bertha Smith, Mr. and Mrs. Donald Farr, Mr. and Mrs. Harold McCune, Mr. and Mrs. Ralph Taylor.

Coquille Grange

The regular monthly meeting of the Coquille Grange was well attended last Friday evening. During the social hour, Florence Hallock, worthy lecturer, lead the group in two entertaining guessing games. Prizes were awarded to the winners. During refreshment hour group singing was led by Mrs. Hallock who presented some humorous skits and parodies. Visitors were Mr. and Mrs. Jas. Phillips of Tacoma, and Mrs. Herman Ellingsen and son Dickie, and Loraine Dunbar, of Sixes grange. Booster night, an annual grange event will be held September 24 by the Coquille Grange when a special program will be presented, arranged by Florence Hallock. It will be open to the public. Pamona Grange will meet Sept. 20 and following the meeting there will be a pot luck supper.

SOCIAL NOTES

Coquille Group Entertained Bandon Coast Guard

The Soroptimist Club with Muriel Dae Adrath in charge, visited the Bandon Coast Guard last Friday evening with a very enjoyable program. The violin quartet made up of Ronald and Morris Williams, Geraldine Oerding and Ben Howe, all students of Miss Dae, delighted the boys with several of their numbers. Leona Bryant showed her fine logging films which thrilled the boys and resulted in their asking Mrs. Bryant to take the films, in fact the whole program to Marshfield, for the entertainment of that Coast Guard Unit.

The committee from Coquille took down beautiful home-made cakes, cartons of Coca Cola and a box of Gravenstein apples. The boys showed almost as great appreciation for the apples as they did for the delicious cake. Some of their wives were present and members of the club who attended besides Mrs. Adrath and Mrs. Bryant were Florence Barton, club president; Leta Leslie, Edith McNelly and Hattie Lee Hollimon.

To The Folks In Town

"Thousands of communities will be faced with one of their major responsibilities of this war when the crops are ready for canning and processing.

"If the food is not quickly harvested and canned when the time comes, it will be lost. Usual sources of extra help on the farms and in the canning plants are not available.

"I, therefore appeal to every patriotic citizen of these communities—men and women, boys and girls—to make their plans to go into the local canning and processing plants or into the fields or orchards to help save America's crops.

"This work is serious. You will, of course, be paid for it. Work as long as you possibly can—as many days—as many weeks.

"Only with whole-hearted cooperation of all citizens can we give our fighters and our allies the food we need to win."

Claude R. Wickard
Secretary of Agriculture

Laborless Labor Day

How about a laborless Labor Day for you, the Homemaker? Truly you deserve relaxation along with the rest of the family! And it can be done, you know.

To make sure the day will be free from cooking, plan your menus for the entire week end so that practically all the meals can be cooked Saturday. Holiday meals needn't follow the regular schedule. With breakfast later in the morning and heartier, too, and a substantial dinner in the evening, lunch can be merely a snack or left out entirely. Of course dinner should be plentiful enough to take care of robust appetites, so we recommend the following:

- LABOR DAY DINNER
- Old-fashioned Baked Beans
- Hot Spiced Beets
- Cabbage, Carrot and Orange Slaw
- Whole Wheat or Boston Brown Bread
- Butter or Margarine
- Applesauce Shortcake
- Beverage

Ahead-of-time cooking - The beans, beets and shortcake can all be prepared ahead of time so that most of the work is done. Just reheat the beans for an hour before serving time. The beets can be cooked for Saturday with enough left over to spice and reheat for Monday. The shortcake and applesauce can easily be prepared earlier and united at the last moment.

Baked beans can be different - Practically everyone has her special way of baking beans. My favorite method is to put an onion in the bottom of the bean pot, then heap in the boiled beans, add sweetening, seasonings and enough bean liquor for moisture, and bake. The onion flavor permeates each and every bean in a most delicious manner.

JUST DESSERTS - If you want to finish dinner off in a triumphant manner, then look to Julia Lee Wright's article in this week's Family Circle Magazine. It's all about sugar and shortening saving desserts.
