Pioneer Association Meeting August 28

A special call meeting of the Coos and Curry Pioneer Association was held at the city hall in Coquille last Saturday afternoon, with President Charles Stauff presiding. Roll call showed the following directors and members present: Mr. Stauff, Mrs. Inez Chase, secretary; L. H. Hazard, J. P. Beyers, Mrs. J. P. Beyers, Mrs. Charles Stauff and Mrs. Mary Randleman, of Coquille; J. Albert Matson, of Marshfield, and Emil Peterson, of North Bayside.

Committees appointed for the year were:

Finance—L. H. Hazard, J. P. Beyers and J. Albert Matson.

Annual Meeting—J. P. Beyers, chairman, with instructions to select his own committee.

Membership—Mrs. Inez Chase, general chairman; S. M. Nosler, chairman for Coquille; Gus Bender for Myrtle Point; Marietta Morse for Bandon; J. Albert Matson for Marshfield; Henry Kern for North Bend; Mrs. Daisy Wasson Coddling for Empire; Emil Peterson for North Bayside; John Merchant for Eastside; George Stewart for Powers; Ray Zumwalt for Langlois; John Ross for Port Orford, and Collier H. Buffington for Gold Beach.

Welfare—Mrs. Mary Randleman, with all officers and directors.

After the reading of previous meetings minutes, the secretary-treasurer made a very interesting financial report. After all current expenses and costs of the annual picnic had been paid, there was on hand a total of \$143.38. The membership list showed 173 on that date with many new applications still coming in. All who are interested in supporting this organization may become either pioneer

members or supporting members upon application and payment of the one dollar membership fee to the secretary at Coquille.

Many interesting pieces of business were considered. There have been a number of offers of historical articles, and of a cabinet for the display of small articles to take effect when the association shall have found suitable quarters for the historical museum now being planned. Aid in locating suitable housing for the museum has been promised by the Coquille Chamber of Commerce. Anyone having suggestions along this line will please send them to the housing chairman, J. P. Beyers of Coquille.

It was decided to proceed with the incorporation proceedings as approved at the annual meeting, and Dal King of Myrtle Point is to act as advisory chairman for that matter.

The charter membership list will be held open until the next annual meeting. All who wish to join as charter members must do so before that time.

The possibility of securing time on the radio and presenting radio programs dealing with the history of Coos and Curry counties and matters of interest to the association and its members was discussed. Emil Peterson of North Bayside was appointed to investigate the matter and was asked to have a report ready for an early called meeting.

All paid up members are asked to hold themselves ready for such a call meeting and to watch the papers for announcements.

It is most gratifying to see how interest in the organization is growing, not only among the pioneers but among younger citizens of Coos and Curry counties who wish to help record and perpetuate historical facts for future generations. From the way the memberships are coming in, it is probable that there will be two hundred members early this month and many more soon after. Anyone wishing to help in this work is invited to join the organization.
