ONLY SYNTHETIC 80,000,000 MILE ROAD TEST

READ THE RECORD OF ACTUAL PERFORMANCE

WE CAN OFFER eligible car owners the only synthetic tires backed by the experience gained from this car owner's test - B. F. Goodrich Silvertowns. In 1940, thousands of Silvertowns (in which more than half the rubber was synthetic) were sold to hundreds of ear owners. They were put to work right alongside natural rubber tires. More than 80,-000,000 miles have gone by . . . and these Silvertowns more than equaled the performance of the natural rubber tires. So - depend on the records of actual performance and get - all-synthetic B. F. Goodrich Silvertowns. Come in and see this tire today.
