

Ann Hawkins Wed At Walla Walla

At a church wedding in Walla Walla, Wash., last Friday evening, Oct. 23 at 7:30 p. m., Miss Ann Hawkins, daughter of Mr. and Mrs. M. O. Hawkins, became the bride of Lieutenant Clifford E. Kamph, son of Mr. and Mrs. Edward Kamph of Smith River, Calif. The ceremony was conducted in the presence of the entire Tow target squadron to which the groom belongs. The wedding marches and soft background wedding music were played by organist, Mrs. Molter of Walla Walla. Lt. Ray Carlson was best man.

The bride, a graduate of the Coquille High School, attended St. Helen's Hall Junior College in Portland and the University of Oregon. She is a member of Gamma Phi Beta sorority. The groom is a graduate of Oregon University and a member of Theta Chi fraternity.

On Saturday night at the Walla Walla Officers Club a dinner dance was given in honor of the young couple. On Sunday there was a squadron dinner party of fourteen.

For the past year the bride has been a bookkeeper for her brother-in-law, Tom Dimmick, at Ophir. Lt. and Mrs. Kamph will live for the present at Walla Walla, where the

groom is stationed.

Announcement Party Given By Parents

At a party at their home last Friday evening Mr. and Mrs. Clifford Kern announced the engagement of their daughter, Yvonne, to Mr. Fred J. Marineau, U. S. C. G., stationed at Bandon. Mr. Marineau is the son of Mrs. Dora Goodwin of Portland.

The day of the wedding was cleverly told on a blue flag bearing the date Dec. 4, which waved from the mast top of a boat, which reflected in a mirror the lovely white caryantheums arranged to form a sail. Blue and white larkspur were used to give the effect of waves. Arranged around the centerpiece were favors representing life preservers secured with a red, white and blue rope. On this was Dec. 4 and the names of the bride and groom to be.

Yvonne was attractive in a black faille dress with corsage of gardenias and rosebuds. Refreshments were served.

Guests were, as follows: Mesdames Harold Withnell, Allan Rhy, Lee Collier, Donald Farr, Eida Ostrander, Sterling Wham, Edward Wham, Marlin Brandon, Bob Bryan, Graydon Anderson, Chester Price, R. G. McBride and Misses Eunice Howe, Jean Williams, Dorothea Yarbrough, Marybelle Yarbrough, Norene McKeown, Lydia Holstein, Dorothy Coffey, Aloha Allen and Glenda Clinton.

Visitor Entertains Prior To Departure

Mrs. Ala Ogdon Bunch, who has been a charming visitor in her daughter's home the last three months, is planning to return to her home in Hollywood the first of next week. Her daughter, Mrs. U. E. McClary, will accompany her south. Last Saturday afternoon Mrs. Bunch was a luncheon and bridge hostess to the following group of her friends: Mesdames Albert Powers, of Marshfield; G. E. Stark, M. O. Hawkins, George Chaney, F. L. Greenough, Ralph Milne, Otto Zentner, Don McCune, F. M. Shaw, Jas. Brady, R. E. Boober, G. L. Maynard, T. De La Rhue. Mrs. Zentner won high score and Mrs. Boober second high.

Hallowe'en Party At Woodman Hall A Success

A festive masked Hallowe'en party was held on Tuesday evening in the Woodman hall by the local Townsend club. About forty-five were in attendance and there were costumes of all descriptions. No prizes were given.

The large hall was decorated with yards of black and orange bunting, with the addition of black cats and bats and witches, too. All these things and flowers in fall colors made the tables attractive and interesting. Then there were games and dancing and group singing, with Mrs. Laird at the piano, and Bob Harrison playing the violin.

It was a general good time party, masks being removed at nine o'clock. Everyone had a gay time. There was lots of good pumpkin pie and coffee, with only one pie left, for which Dr. Mulder bid the highest at auction.

Victory Club Meets With Mrs. Minard

Mrs. Clyde Minard entertained members of the Victory Club at her home on the Marshfield Highway last Friday evening. Dessert was served preceding cards. Mrs. Elton Savage won high score, Mrs. Fred Watson received the traveling prize and Mrs. Ted Snyder was low. Prizes were defense stamps. Mrs. Clovis Church did not attend and Mrs. George Griggs substituted in her place. Others attending were: Mesdames D. G. Ireland, Ed Walker and Jay Carter.

Coquille Red Cross Notes

Coquille Red Cross, 704, will hold its regular weekly meeting on Friday, Oct. 29, from 1:00 to 4:30 o'clock in Guild Hall. As usual there will be work provided for everyone—machine and hand sewing, knitting, crocheting, cutting, pressing, filling sewing kits, etc. Please bring your own scissors and thimble and because it is now impossible to purchase crocheting hooks in Coquille, it is suggested that you bring for your own use or to lend to another. Nos. 1, 2 or 3 crocheting hooks are used.

Because so many afghans are now under way, colored yarn is badly needed. Also needed are more large-eyed needles, large safety pins and 10, 11 and 12 in. squares cut from old Turkish towels for wash cloths.

Mrs. D. B. Kesner, chairman of production, says, "We will continue to make afghans but because they consume so much yarn, (all of which must be donated), and because it is also necessary to fill our quotas on regulation items, we shall work on them chiefly at our meetings and we also ask our women who are now working on them in their home to please accept some sewing or knitting at the same time. After all we do want to do the things that are most needed for our service men first."

Kit bags and housewives (sewing kits), are still the most essential items and Mrs. Phil Alborn, chairman of knitting, is concentrating all possible on placing stumps, toe and regular sox in the hands of her knitters, in addition to the sweaters and gloves now under way. Mrs. Alborn is most enthusiastic over the manner in which new knitters are coming to the front.

The appeal for new workers is meeting with a generous response and Mrs. Kesner is pleased to report that Mrs. G. E. Stark and her former group of workers have again

taken up Red Cross sewing.

"We thank the following women for contributions of yarn, needles, safety pins and heavy slipper material: Mesdames Jas. Richmond, Bean, R. A. Jeub and Don McCune. We also wish to thank Mrs. Dorothy Bishop for repairing another sewing machine and for her offer to continue to keep our machines in repair.

"If you are not yet doing some type of Red Cross work, we hope you will come and work with us on Friday or call at our work room for sewing or knitting to take home. Our congenial gatherings are proving that work can be fun. One of our workers was heard to say at our last meeting that since a recent visit from a nephew who had been in actual combat in the Solomons, she realized now more than ever before how very necessary Red Cross work really is.

"Coquille Red Cross, 704, hereby extends its gratitude to members of the vestry board of St. James' Episcopal Church, Guild ladies, and to the Rev. Robert L. Greene, vicar, for their generosity in allowing us to meet regularly in their hall for the duration, with no expense to our unit," says Mrs. Kesner.

Again we wish to thank the Sentinel for the continuous fine publicity given us. We also thank Central Transfer for transportation gratis of our shipments to and from the Coos county chapter in Marshfield."

Mrs. J. A. Berg, Chairman
Mrs. D. B. Kesner,
Chairman of Production.

Royal Neighbors Initiate

Mrs. Jane Burch, Oracle, presided over the meeting last Wednesday evening of the Royal Neighbors lodge. A pretty ritualistic ceremony was conducted for initiation of Mrs. Dorothy Noble. Mrs. A. T. Erickson was welcomed as a transfer from Powers. An invitation from the Myrtle Point lodge to a rally to be held there some time next month was discussed and a vote taken to accept it. Mrs. Logan,

state supervisor will be in Myrtle Point for the occasion. Decorations and refreshments were carried out with Hallowe'en effect. The committee in charge consisted of Mesdames Harriet Whitney, Venita Batty and Ida Benham.

Dance at Bandon Townsend Hall every Saturday night, starting Nov. 6. Also Armistice dance Nov. 11. Admission: Gents 75c, Ladies 25c and service men 50c. 4112s
