Alaska Films Shown At Rotary

Two very interesting films from Alaska were shown at the Rotary Club luncheon at the hotel on Wednesday.

They were sent here by Ray Gilkey, a former resident of Coquille and were shown by Fred Bull.

The first film, not in color, showed the salmon run in one of the smaller streams in Alaska with a number of bears who were helping themselves to the fish. During one scene seven bears could be seen along the bank or fight out in the stream after the fish.

The other film was in color and showed scenes in and around Fairbanks during the annual Dog Derby with a very colorful parade and view of the dog teams.

President Lundquist made the announcement that Wednesday's luncheon would be the last one served at the hotel as the management had been unable to secure a cook. He stated that the secretary would advise where the next meeting would be held.

Rotarian guests present were Judge Dal M. King, of Myrtle Point, and J. B. Bedingfield and V. T. Torrey, of Marshfield-North Bend. Leonard M. Gardner, of Portland, was also a guest.

Junior Women Plan Dance

The Junior Women's Club met last Monday evening with Mrs. Grace Withnell presiding. Plans for the Sadie Hawkins dance were discussed and summed up in the following verse by Bernice Molthu:

Come all ye little Abners
On Sadie Hawkins' Day
And trip the light fantastic
With your favorite Daisy Mae.
Service men may enter past the portals
Free of charge.
Civilians with the money
Fifty cents plus five cents charged.
There'll be prizes for best costumes
And for a dance beneath a pole.
So come dressed as modern lads
and lassies,
Or in your favorite Dogpatch role.

Members volunteered to solicit for the War Chest. Jean Williams, was stamp chairman, reported that the Oregon Federation of Women's Clubs is sponsoring a bond drive for the naming of a bomber, the drive to start the first of November and to last through the month.

The program was in charge of Lucille Walker. Articles on Courtesy and Politeness were read by Mary Stevens. Mavis Tyrrell sang two songs, "Paper Doll" and "Somebody Loves Me," accompanied by Vi McBride. Group singing followed. Coffee and doughnuts were served.

Can Vitamins Change GRAY HAIR?

Insistent investigations have found vitamin Calcium Pantothemate of some value in changing gray hair, where a deficiency of this vitamin may have caused gray or graying hair.

For example, one test conducted by Good Housekeeping magazine on a number of people, showed 85% of those tested (all ages were included) had positive evidence of a return of some hair color.

Now thousands use GRAYVITA, which contains 10 mgms. of Calcium Pantothemate (the same amount used in above tests) PLUS 450 U.S.P. units of B₁₂, the vitamin necessary to healthy nerves. Try GRAYVITA. See what a difference it may make in the way you look. 30 day supply, \$1.50; 100 day supply, \$4.00.
