When M. and Mrs. Morris Ray, who have been here for the past week, return to their John Day home next week, they will be accompanied by Mrs. Russell Dement of Myrtle Point, who is going over for a visit. Her mother, Mrs. Johnson, had been over there and returned home with the Rays last week.

Mr. and Mrs. George Laird and their daughter, Mrs. Jean Bryan, left Wednesday for Portland. They are meeting their son, Ensign Jack Laird, and his wife, the former Gretchen Clinton, who are arriving from Pensacola, Florida. The young couple were married last March, just after Jack received his commission. He enlisted in the Navy Air Corps two years ago. He was given advanced work recently and is now instructing instructors, men of higher rank than himself.

Geo. S. Davis left Monday morning to spend New Year's with a niece and other old friends in Humboldt county, Calif.

Mrs. Stanley Bartlett, of Sacramento, Calif., was a week-end visitor at the J. S. Barton home. She stated Stanley is in fair health and is on the police force in Sacramento.

Mr. and Mrs. Fred J. Marneau, of Bandon, spent Christmas eve with her parents, Mr. and Mrs. Clifford Kern. They left the same evening, for Portland, on a delayed honeymoon and visit with Fred's mother. Yvonne was a bridesmaid Sunday evening at five o'clock at the wedding of Miss Nadine Koehler, who had been maid of honor of Yvonne's wedding earlier this month. They will return January 6.

Mrs. Joe Nilsen, formerly of Riverton but now living at Langlois, writes that her son, Major H. E. Johnson, and Mrs. Johnson, visited at the Nilsen home last week. Major Johnson has been head dentist at Prairie Field, Everett, Wash., but has been transferred to Muroc, Calif., where he will be in charge of the dental department.

Miss Lynn Roberts, of Cottage Grove, has been a guest of Mrs. R. L. Stewart the past week. She came over Sunday and will leave for home this coming Sunday.

Jerry Extra, who called upon the trade for Zellerbach Paper Co. of Portland for many years, but for the past three years has been with the Evans Products Co. in Portland, was a Coquille visitor yesterday.

Material shortages are spurring, rather than impeding the creative flair of bookend designers. Forced to use new mediums of expression, many of them are turning at the same time to less mundane themes. Pictured here is a figurine of Aquarius, the mythical character associated with the Zodiac. Of ceramic material, of part glass composition, it has a lustrous sheen in keeping with the subject.

Their Christmas leave over, Sgt. and Mrs. Cliff Gulseth intend leaving Friday morning for San Diego, where he will rejoin his Marine Corps outfit at the base there. They have enjoyed greeting old friends the past ten days and those friends were very glad to see them.

Mrs. Elden Brodie has been here from her home in Myrtle Point the past few days so that her mother, Mrs. R. B. Knife, could care for her during her flu-pneumonia illness.

Peace On Earth...

ONE'S "home may be frail; its roof may shake, the wind may blow through it, the storms may enter, the rain may enter", but at New Year's even such a home may be alight with cheer.
