### Coquille Red Cross Notes

The first Red Cross meeting of the new year will be held on Friday, Jan. 7, at Guild hall between 1:15 and 4:15 p. m.

"Due to additional time needed for holiday preparations no meetings have been called for the past few weeks and workers have not been required to complete work taken until after the first of the year. However, we must now get back to work again with renewed energy," says Mrs. D. B. Kesner, chairman of production, "and proceed to start the new year right. So please turn in knitting and completed sewing as soon as possible.

"We are depending on our regular workers and hoping that many new women will attend this meeting as we will soon be placed on a new quota for both knitting and plain sewing. We will also continue to fill in with afghan and slipper making and wash cloths.

"Another attractive afghan has been made and sent in by Mrs. Ralph Taylor and a check has been gratefully received by a donor who asks that we do not publish her name. A large amount of good used clothing, given the Red Cross, has been turned over to the Rev. Robt. L. Greene, St. James Episcopal Church, for the salvage drive now going on.

"The past six months have been very successful from the standpoint of finished work, both in quantity and quality, and we wish to add our grateful appreciation to that of Coos County Red Cross for the loyal support, wonderful cooperation and generous contribution received from our workers and friends."

### AND FOREVER AFTER

We have a great job to do . . . that of endowing the world with the privileges of a free people in a world free from fear of aggression. We are working to complete that job sooner by producing the sinews of war in greater abundance, we are accelerating our every wartime effort to meet the full requirements of an all-out European invasion. While we bend every effort to our individual jobs, let us remember what we are fighting for . . . remember that one way to supplement the materials of war, and mercy that we are producing is to buy WAR BONDS. The money you lend for a future of peace will pay for things that will make the dream of Peace in '44 a reality.
