

W.C.T.U. Met Last Friday

The W. C. T. U. met at the home of Mrs. J. P. Laws Friday for its regular business session and program. The devotional topic was taken from Rom. 12:1-2: "That ye present your bodies a living sacrifice, holy, acceptable unto God."

The topic of the day was "Your Home—And Mine," giving four essential things a home should have: 1. a Sense of Security; 2. a Knowledge of Relative Values; 3. an Understanding of Social Skills; 4. an Integration.

From the Congressional Records at Washington, D. C., are taken these figures and statements: "Food materials destroyed in the making of alcoholic beverages, sold in fiscal year 1943, based upon government estimates: 4,232,890,197 lbs. of grains; 201,431,247 lbs. of sugar and syrups; and 832,489,331 lbs. of fruits. Total, 5,266,810,775 lbs."

The National Ambulance Fund was given \$10.00 and the Safety School on Wheels, \$10.00.

Mrs. James Richmond was elected by the society to become a member of the Inter-Club society, representing the W. C. T. U. In March a "China Nurses, Tea" will be given to help educate Chinese girls for nurses.

Watch for date and place. Members present were Mesdames Laws, Houston, Richmond, Parrish, Skeels, Harriman, Fugelson, Ellis and McCue.

Contract Club With Mrs. Greenough

After many weeks of not meeting, Mrs. F. L. Greenough was hostess to the Contract Bridge club on Tuesday of this week. Mrs. Otto Zentner and Mrs. G. E. Stark were substitute guests. Mrs. Stark received guest prize. Mrs. Chaney won high score and Mrs. Compton, second high. Present were Mesdames Mary McKeown, U. E. McClary, Ralph Milne, George Chaney and Lela Compton.

Justamere Club

Mrs. F. L. Greenough entertained the Justamere club last Thursday. Members attending were Mesdames J. L. Smith, B. Folsom, J. A. Lamb, O. C. Sanford, A. J. Sherwood, L. H. Hazard, C. J. Fuhrman, and R. A. Wernich.

B. P. W. Enjoys Program Dedicated To Peace, Monday

The Business and Professional Women's Club enjoyed an outstanding meeting on Monday, Jan. 17, at the Guild Hall. Plans had been made for a patriotic program under the heading of "Preface to Peace." It included a review of Wendell Willkie's book, "One World," given by Ruth Beyers. Mrs. Beyers expressed the experience of herself like others who at first hesitated to read the book thinking it was political in its approach. However she declared after she received the book as a gift she definitely found her mistake and recommended its reading by all means.

It is not a long book but its twelve chapters are full of observations and personal reactions gained after the round-the-world trip in an army plane in the middle of this great war, to see and talk to hundreds of people in more than a dozen nations. He talked intimately with many of the world's leaders.

It is a difficult book to review because its factual contents are presented, along with the author's new and urgent convictions, and through his observations his conclusions are drawn. Bits of humor crop out here and there with the result the book is altogether easy reading, exciting and worthy of deep study.

Mrs. Beyers gave the group the benefit of her own thorough study of the work and imparted to them much that was informative and stimulating toward their desire to read the book for themselves.

Margarita Brodie, a past president, was a visitor and expressed her pleasure over being home among her Coquille friends. On a visit here from Texas, where Major Brodie is stationed, she was prevented from returning there with him owing to her children's illness.

Miss Ruth Towne, another former member, was present. Miss Towne told of her work in Lubbock, Texas. She left here about two years ago. "Salute to the Flag," a reading written by Olive Barber, was given by Clara Stauff. Singing was led by Mrs. Stauff and accompanied by Inez Rover.

Decorations were bright with beautiful flags. There was buffet service of refreshments. A centerpiece of holly and a lovely lace cloth were used. Open-faced sandwiches and coffee were served. The Research committee, with Mrs. Inez Chase, chairman, and Scholarship Loan committee, with Mrs. Bertha Smith, were in charge of the meeting.

Mrs. Hallock announced a meeting to be held next Monday, January 24, at the Washington school. A symposium team from the University of Oregon will discuss the subject of Child Delinquency. The public is invited and with no charge of admission.

Douglas MacArthur Relief Corps Met Yesterday

The Douglas MacArthur Relief Corps, No. 56, met Wednesday in regular session. The president, Mrs. Von Pegert, was in the chair, and business was conducted in the usual manner. Many are ill, so all the chairs were not filled with regulars but there were substitutions and all did very well in their new offices.

Delegates elected for the convention in Portland in May were: Mrs. Lena McNair and Mrs. Eula Mintee. Alternates were Mrs. Ida Roth and Mayre Laird.

The Relief Corps held a special meeting Jan. 12 to hold the annual installation. Six ladies from Bandon were present and Mrs. Rike was the installing officer. Ten dollars for the plasma fund as well as quilt and other articles, have been sent to the Soldiers' Home at Roseburg. The W. R. C. is also doing Red Cross and other relief work.—Press Cor.

Coquille Red-Cross Weekly News

Coquille Red Cross will meet on Friday, Jan. 21, at Guild Hall, from 1:15 to 4:15 p. m.

"There will be no machine sewing until more materials come through but we shall go on with our afghans. We have also started making pieced wool quilts as our present group work." Will also continue making scuff slippers," says Mrs. D. B. Kesner.

"We are pleased to report that we have distributed a large amount of Navy knitting but still have on hand a few more sweaters and gloves to be knitted.

Contributions during the past week included 22 turkish wash cloths from ladies of the Rebekahs. We appreciate this nice gift. Wool material, yarn, crochet cotton and hooks were received from Mesdames M. D. Sherard, W. E. Bosserman and Rogers. Mrs. Edith McNelly brought in two completed and three dozen partially finished hospital scuff slippers. Four new workers called for sewing and knitting."

Mrs. Phil Alborn is expected home during the coming week. She will assist anyone needing her help with knitting.

The Red Cross needs your help. Please plan to attend the work meetings or arrange to call and take work home to complete. For further information phone Mrs. D. B. Kesner, chairman of production, 170M.

Roy Mothers Club

Mrs. Elva Green was hostess on Tuesday afternoon when the Roy Mothers Club met at the teacherage. During the business session, Mrs. Cora Mackey reported on the waste paper drive at the school. She said a lot had come in on Tuesday and more would be collected. Plans for a valentine party in February were discussed. Hamburgers, coffee and tea were served. Lottie Aber was a guest.

Members attending were Mesdames Opal Buckles, who presided in the absence of the president; Kitty Detlesen, secretary; Bertha-Cross, Hulda Ellingson, Clara Krantz, Edna Rakestraw, June Green, Florence Cameron, Patricia Griffith, Mary Johnson and Cora Mackey.

How Polio Funds Are Used

The net proceeds from the President's Ball will be donated by the Coquille Junior Women to the Infantile Paralysis Foundation. The dance will be held at the Coquille Community Building on Friday, January 28.

In 1938 President Roosevelt sponsored the National Foundation for Infantile Paralysis, a non-profit organization to lead, direct and unify the fight against infantile paralysis throughout hundreds of hospitals all over the United States. The foundation sponsors unending research work and new, experimental methods.

The money from the Foundation's Annual Fund Raising Appeals in January is divided equally between the national foundation and the county and state chapters.

The fifty per cent which remains with the local county or state chapters is used to assist infantile paralysis victims in medical care, hospitalization, iron lungs, surgical care, orthopedic equipment and the Kenny Method training. The fifty per cent which goes to the national foundation

is used for virus research, after-effects research, epidemics research and educational activities.

Coos county has learned that this disease is still no respecter of persons, striking its victim in the city and on the farm alike. This year Coos county has had ten cases of polio. The local fund has provided transportation and hospitalization to the victims who were financially unable to receive care otherwise. Coos county health officers and several school representatives were also enabled to study the Sister Kenny treatment in Portland by local aid.

Circuit Court Cases
