

Eugene Judd Buried Wednesday

Funeral services for Eugene Judd, Fairview resident, were held at the Schroeder Chapel at 2 o'clock Wednesday afternoon. Rev. Robt. L. Greene officiating and interment was in the Masonic cemetery.

Mr. Judd, who was a logger by occupation, passed away last Sunday at the Portland Sanitarium where he had been receiving treatment for several weeks.

He was born at Lakeside, Oregon, March 7, 1908, and was ten months and 16 days past 35 years of age.

He is survived by his widow, Mrs. Frances Judd, and their seven year old son, Jimmy, his parents, Mr. and Mrs. Wm. Judd, and a brother, Clifford, formerly of Coquille, who now resides in Reno, Nev., and who was in Portland to accompany the body to Coquille.

Gems of Thought

LEARNING

True wisdom is to know what is best worth knowing, and to do what is best worth doing.—Humphrey.

A heap of ill-chosen erudition is but the luggage of antiquity.—Balzac.

The aim of education should be to convert the mind into a living fountain, and not a reservoir. That which is filled by merely pumping in, will be emptied by pumping out.—John M. Mason.

Sooner or later we shall learn that the fetters of man's finite capacity are forged by the illusion that he lives in body instead of in Soul, in matter instead of in Spirit.—Mary Baker Eddy.

To know the laws of God in nature and revelation, and then to fashion the affections and will into harmony with those laws—this is education.—S. F. Scovel.

The first consideration a wise man

Curry County Up Among State Leaders in Bonds Sold

The U. S. Treasury report on the "Battle of the 4th War Loan," at the close of business Jan. 22, showed Coos county as standing 27th among the state's 36 counties in percentage of its quota of bonds sold. Of its \$1,518,700 quota the sales then totaled \$163,300 or 10.8 per cent. Curry county stood fourth with a percentage of 37.9. That county had also sold 90.2 per cent of its E bonds, while Coos county's percentage on that type was 18.2.

A. L. Hooton is again ready to attend to the public's needs in electrical repair and wiring. His phone is 222R, and for the present his shop is at his home on the Fairview road.

It's Chysanthemum season. See Bergen's for choice flowers.

fixeth upon is the great end of his creation; what it is, and wherein it consists; the next is the most proper means to that end.—Walker.

North Bend Leads Coquille By 2 Games

Cocs Conference Standings

Marshfield	-	5	0	1.000
Myrtle Point	-	3	2	.600
North Bend	-	2	3	.400
Coquille	-	0	5	.000

The Marshfield Pirates continue as the class of the Coos county basketball conference, their victories the past week being over the North Bend Bulldogs last Friday and the Myrtle Point Bobcats on Tuesday this week.

The Red Devils dropped another game at the gymnasium here Tuesday evening, this being their second defeat by the Bulldogs. They led 4 to 3 at the end of the first quarter, were trailing 15 to 16 at the half, and 24 to 26 at the end of the third quarter. The final score was 36 to 32 in North Bend's favor.

The box score:

North Bend (36)	FG	FT	PF	TP
Noel	6	1	0	13
Jansen	0	1	0	1
Hudson	8	2	1	18
Massey	0	1	1	1
Moomaw	1	1	2	3
Hagen	0	0	1	0
Totals	15	6	5	36

Coquille (32)

DeNoma	1	1	2	3
Haga	2	0	2	4
Porter	6	1	2	13
Meek	2	1	1	5
Kline	3	0	4	6
Barton	0	1	0	1
Totals	14	4	11	32

Officials—Snyder and Landis.

Vehicle Registration Dropped Two Per Cent in Oregon In 1943

Registration of trucks and buses in Oregon during the year 1943 showed increases over former registrations, while private passenger cars showed a slight drop. Secretary of State, Bob Farrell said today in announcing annual registration figures.

Buses increased from 982 in 1942 to 1,136 in 1943, an increase of 15 per cent. Trucks jumped from 42,907 in 1942 to 43,919 in 1943, an increase of two per cent. Private passenger vehicles dropped from 341,367 in 1942 to 332,552 in 1943, a drop of two per cent.

Total registration for 1943 was 415,269 vehicles, compared to 424,777 in 1942, or a decrease in motor vehicle registration for the year of two per cent.

Registration fees for the year amounted to \$3,377,081.87, which were \$24,359.19 under the fees paid in during the year 1942.

Coos county's total registration was 9,938 vehicles.

Card of Thanks

We take this means of expressing our sincere appreciation to our friends and neighbors for their sympathy and kindness during our bereavement, for the flowers at the services held for our husband and father, D. C. Krantz, and to Myrtle Lodge, No. 78, A. F. & A. M. of Myrtle Point, which conducted the services.

Mrs. D. C. Krantz, Mr. and Mrs. W. R. Krantz, Mr. and Mrs. Fred Fritts, Chester Krantz and Floyd Krantz.

Hand-carved Myrtlewood for collectors at Harbison's.

Howdy Folks:

Well, it looks like we are going to be driving our same cars for another two years, or trade for another in equally bad shape, aside from a facial.

Remember, few mechanics nowadays have time to do unnecessary repairing. That's why we try to make adjustments and small repairs, that would eventually be expensive overhaul jobs.

Likewise, when we venture to suggest some needed work on your car, it is not because we need it—just trying to eliminate larger jobs in the future.

Lubricate every 500 miles or not over 60 days and see your Dentist Mechanic while you still have something left to work on.

Curry County Jersey Cattle Club Breeders

A group of younger breeders of Curry county banded together recently to form the Curry County Jersey Cattle Club. Like other similar breed groups of Oregon, the group has for its chief function the building up of their herds and the cattle of the community. Cooperatively they plan their breeding programs, tackle com-

mon problems. The group shown above has inspected the Ralph Cope (left) herd at Langlois, Oregon. The cow is Bended Bow Lady Bird, one of Ralph's first 4-H animals. She produced 538 pounds of butterfat as a two-year old. Shown with Ralph are Bill Sweet, Sixes, president of the

club; John Ellingsen, Sixes; John Donaldson, Denmark; Sidney Cadman, Langlois; Bob Knox, County Agent, Gold Beach; Ronnie Fraser, Bandon, and Phillip Cope, father of Ralph. Ralph and Phillip are legal partners in the business. Their herd last year averaged 502 pounds of fat, the year before 544 pounds.

Myrtle Point Again Wins Very Fast Game

Again the Devils muffed their chance to run the Bobcats out of their own gym. In one of the snappiest and fastest games yet played by the local high school quintet, Myrtle Point won the honors of the game for the second time this season by a score of 31 to 27.

All during the first half of the game, the Devils held the lead over the Bobcats and the half ended with a score of 16 to 11 in favor of the Coquille five. In the second half the Bobcat team made a swaggering comeback with their high-point man, Peck Walton, scoring 12 points, and Belloni next with six, while Sutphin scored the other two. For the Coquille team, the high point man throughout the game was Roy Porter, who made five baskets, and three free throws for a total of 13 points. Bud Meek, who fouled out in the fourth quarter, was next with six points, Kline with four points, Haga and DeNoma each with two points.

Mention should be made of the fine ball played by both teams and of the determination to win that brought Myrtle Point out into the lead in the last minute-to-play of the game.

During that last minute, with the score tied at 27 to 27, Coquille was penalized with a technical foul for calling more than their allotted number of timeouts. This point was not made by M. P. Then taking the ball out of bounds, the Bobcats slipped it by the Devils' defense and through the hoop, making the score 29 to 27 in M. P.'s favor. When the Devils were bringing the ball back into the Bobcats' court, they were swiftly enclosed by the man-to-man defense used by M. P. Consequently, the ball was held overtime in backcourt and M. P. again took the ball through the Devils' defense for another two points. The game ended 31 to 27 in Myrtle Point's favor.

Starting line-ups were as follows:

Myrtle Point	F	Coquille
Sutphin	F	DeNoma
Walton	F	Haga
Wise	C	Porter
Deaver	G	Meek
Belloni	G	Kline

Substitutes were Wilson, Dement and Hatfield for Myrtle Point and Gray, Kunz and Train, for Coquille. Officials were Carver and Linn.

Ward McReynolds will be in Coquille next Tuesday, Feb. 1, at the city hall, to receive applications from those desiring drivers' licenses and to conduct examinations.

Remember the dance at the Coquille Community Bldg., sponsored by the Coquille Junior Women's club, on Friday, Jan. 28. You always have fun at their dances! 2t

Phone 222R, to Art Hooton for your electric wiring and repair needs. He is located north of the ball park on the Fairview road. 52tfs

The net proceeds of the President's Ball Friday, Jan. 28, will be donated by the Coquille Junior Women to the Infantile Paralysis campaign. 2t

After the Marshfield-Coquille basketball game, attend the dance at the Coquille Community Building on Friday, January 28. 2t

More Women in College This Year Than in '43

More women are enrolled here now than a year ago, according to the latest report of Associate Registrar D. T. Ordeman, of the Oregon State College. Near the end of the second week of the term 1471 co-eds had registered, a four per cent increase over the 1411 at the corresponding date a year earlier.

This increase is also reflected in the registration of the school of home economics, the only all-woman's school on the campus, and the only one to show an increase over a year ago. Its present enrollment is 543, up 65 per cent from last year's 329. Total enrollment is now 1830 civilians and 1255 army students, or a total of 3185, down 11 per cent.

Card of Thanks

We wish to express our thanks and appreciation for the helpful sympathy and kindly assistance extended us during our recent bereavement and for flowers at the service held for our father, John G. Page.

Uncle Sam Asks Everybody To Conserve

By Not Wasting Electricity

Here's How to Help:

1. Continue to use all the electricity you need for proper lighting and eye conservation. But, turn off lights when you no longer need them.
2. Eliminate unnecessary waste in the use of your appliances. They will last longer and you will be conserving critical materials.
3. Conserve, whenever possible, in the use of promotional or display lighting; non-essential interior and show case lighting and decorative or ornamental lighting, etc.
