Mr. and Mrs. W. W. Chambers, who last year purchased the thousand-acre Hotbrook ranch, south of Port Orford, were Coquille visitors yesterday. They came from the middle west last summer on a visit and liked the Oregon coast country so much that they decided to remain and are now raising sheep down there.

More Funds Needed For Infantile Paralysis Campaign

Due to the greatest need ever, the campaign for funds for the National Foundation for Infantile Paralysis, to fight the dreaded "crippler," will continue until February 15 in counties where the quota has not been reached.

This is word from Dr. E. T. Hedlund, state chairman, as he sent words of thanks to workers all over the state for their hard efforts and to generous contributors everywhere.

Some counties already have reached their quotas. Others have exceeded their goals.

"Milk bottles, with placards inviting everyone to contribute, will continue to be displayed for at least half this month," the state chairman explained. One of these bottles is located in Coquille in front of Ralph Nosler's barber shop.

"We need more money than ever because Oregon last year had 145 reported cases of infantile paralysis. Needy cases receive financial help from the foundation."

Missionary From India To Speak Here

Sunday evening, February 6, Miss Mollie Baird, returned missionary from Lucknow, India, will be speaking at the Assembly of God Church. Mollie Baird, native of Texas, went to India eighteen years ago to establish an orphanage and in that time has had but one brief furlough. During those years she has accumulated a large knowledge of the people and the country of India and will be a most interesting speaker.

Miss Mollie Baird comes to Coquille from the state-wide convention of the Assemblies of God where she was the principal missionary speaker.

Rev. L. C. Persing, pastor of the Assembly of God, states that the service will begin at 7:30 Sunday evening and a cordial welcome is extended the public to attend.

A Meeting Saturday That Parents Should Attend

To lay upon parents the burden of responsibility for the care and guidance of their children is the purpose of a special service at the Coquille Seventh-day Adventist Church, Saturday, February 5. This is part of a nation-wide "Christian Home" program in all Adventist Churches on that day. The time of the service will be 11:00 o'clock.

Growing child delinquency, leaders announce, should be charged more directly to the home and lack of parental example and authority than to general war conditions. And in those cases involving liquor, it may be traced to the home or some one violating an ordinance. The program will feature the influence of the home, the church, and the school, in developing in children a healthy and intelligent standard of purity and morals that will "protect them from the vile miasma of the world about

A Great Speaker To Be At M. E. Church

Dr. C. K. Vliet, a man of national prominence, will be at Pioneer church Tuesday, February 8. Dr. Vliet has an unusual record. A doctor practicing in the city of Philadelphia, he felt the urge to preach and entered the ministry of what was at that time the Southern Methodist church. He rose to prominence in the group and today is a member of one of the more important boards of the United Methodist Church. His message is direct and with power; he does not hesitate to speak straight from the shoulder and with a fund of information which few have; his message has definite value.

A pot-luck dinner precedes the evening service. It will be held at 8:30 and the message of Dr. Vliet will come at 7:30. Delegations from Myrtle Point, Marshfield, North Bend, Gardiner and Elkton, will attend. There will be no charge, other than a free-will offering.

Fishing Regulations Made By State Game Commission

Final action regarding the 1944 angling regulations was taken by the Oregon State Game Commission when it met in Portland on January 29.

Effective February 1 will be the new regulations on steelhead and salmon over 20 inches in length. In the coastal streams the bag limit was five fish a day, but now the limit in all sections will be three fish a day or nine in any seven consecutive days or in possession at any one time. There will be no bag limit, however, on jack salmon under twenty inches in length.

The six-inch trout season will open on April 15 and close October 31. The bag limit remains the same as before, 15 fish or 15 pounds and 1 fish in any one day but not to exceed 30 fish or 30 pounds and 2 fish in any seven consecutive days or in possession at any one time.

The special season of June 1 to October 31 on the upper part of the North Umpqua was abolished and this section of the river, therefore, will be open to winter fishing for steelhead over twenty inches.

A few other changes were made in some of the county regulations which will be listed in the official synopsis of angling regulations that will be available for distribution some time in March.

Insurance Specialist, F. R. Bull. them today." The service will be directed by A. W. Thompson.

Japanese Missionary To Speak At Baptist Church Friday

Miss Margaret Cuddeback, missionary to Japan recently repatriated on the Gripsholm, will tell of her experiences Friday evening at 7:30 at the Emmanuel Baptist Church. She spent more than a year interned behind barbed wire barricades. Everyone is welcome to hear of her experiences. This will be one of her first speaking engagements since her return.
