"That's really a great editorial your just read to us, Judge. Where did you say it appeared?"
"In 'The Stars and Stripes'...the newspaper of the U.S. Armed Forces in Europe. Kind of gives us folks back home something to think about, doesn't it, Bill?"

"It certainly does, Judge. Particularly the last paragraph. Would you mind reading that again?" 'Glad to, Bill. It says, 'We can remember

the days of prohibition, when moonshine whiskey made quick fortunes for bootleggers, crooked politicians and dishonest police offi-cials. ## Can You Picture COQUILLE Without Newspapers?

eadline news. War news. Foreign, national, local news. Births, weddings, deaths, politics, the comics. What would we do without newspapers! Most folks take this service for granted. But our strong, free press, serving a free people, would be the first thing dictators would suppress if they had the chance. Everybody here, and in cities and towns throughout America, depends on newspapers for information, inspiration and entertainment. We're all proud of our press and its vital part in American life.

## Greyhound and Newspapers **Work Together**

Greyhound, just like your newspaper, renders an essential service. Like other business firms, Greyhound uses newspapers to contact its customers. In the West alone, regular Pacific Greyhound Lines advertising in more than 500 newspapers keeps people informed about bus travel service. In turn, Greyhound is an important factor in news distribution, carrying many newspapers into areas not served by other forms of public transportation.

Greyhound salutes your newspaper in which this message appears. It is an indispensable part of your daily life. With its help, and that of other newspapers, we are building a transportation service that is playing its part in the development of this city. Greyhound service will grow in valueto the country, to the community and to you.
