

Breakfast Club Enjoys A Two-Day Camping Out

The "Camp In Your Own Back Yard" idea was very successfully carried out when Mrs. Cora Mackey, teacher at the Roy School, entertained six members of The Breakfast Club, a 4-H organization of which she is leader. The members arrived directly after lunch on Thursday, May 25, with regular camp baggage. From then until they departed the next day at about 4:30 p. m., there was never a dull moment. Thursday evening a hike into town to attend the Roxy, a hike back and an impromptu program finished off the first day. A regular club meeting was held Friday forenoon. It was decided to meet at the home of Robin Griffith in the Roy district early in June. Waffles and buns provided the main dish at the noon lunch. Games were played until it was time to depart. All agreed it was a lot of fun.

Members enjoying the outing were: Patricia Detlefsen; Joan Gauer, club vice president; Robin Griffith, club president; Elsie Johnson, club secretary-treasurer; Leota Johnson, Loreta Mass and Cora Mackey, leader.

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strains on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try Doan's Pills. Doan's help the kidneys to pass off harmful excess body wastes. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!
